Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2

Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

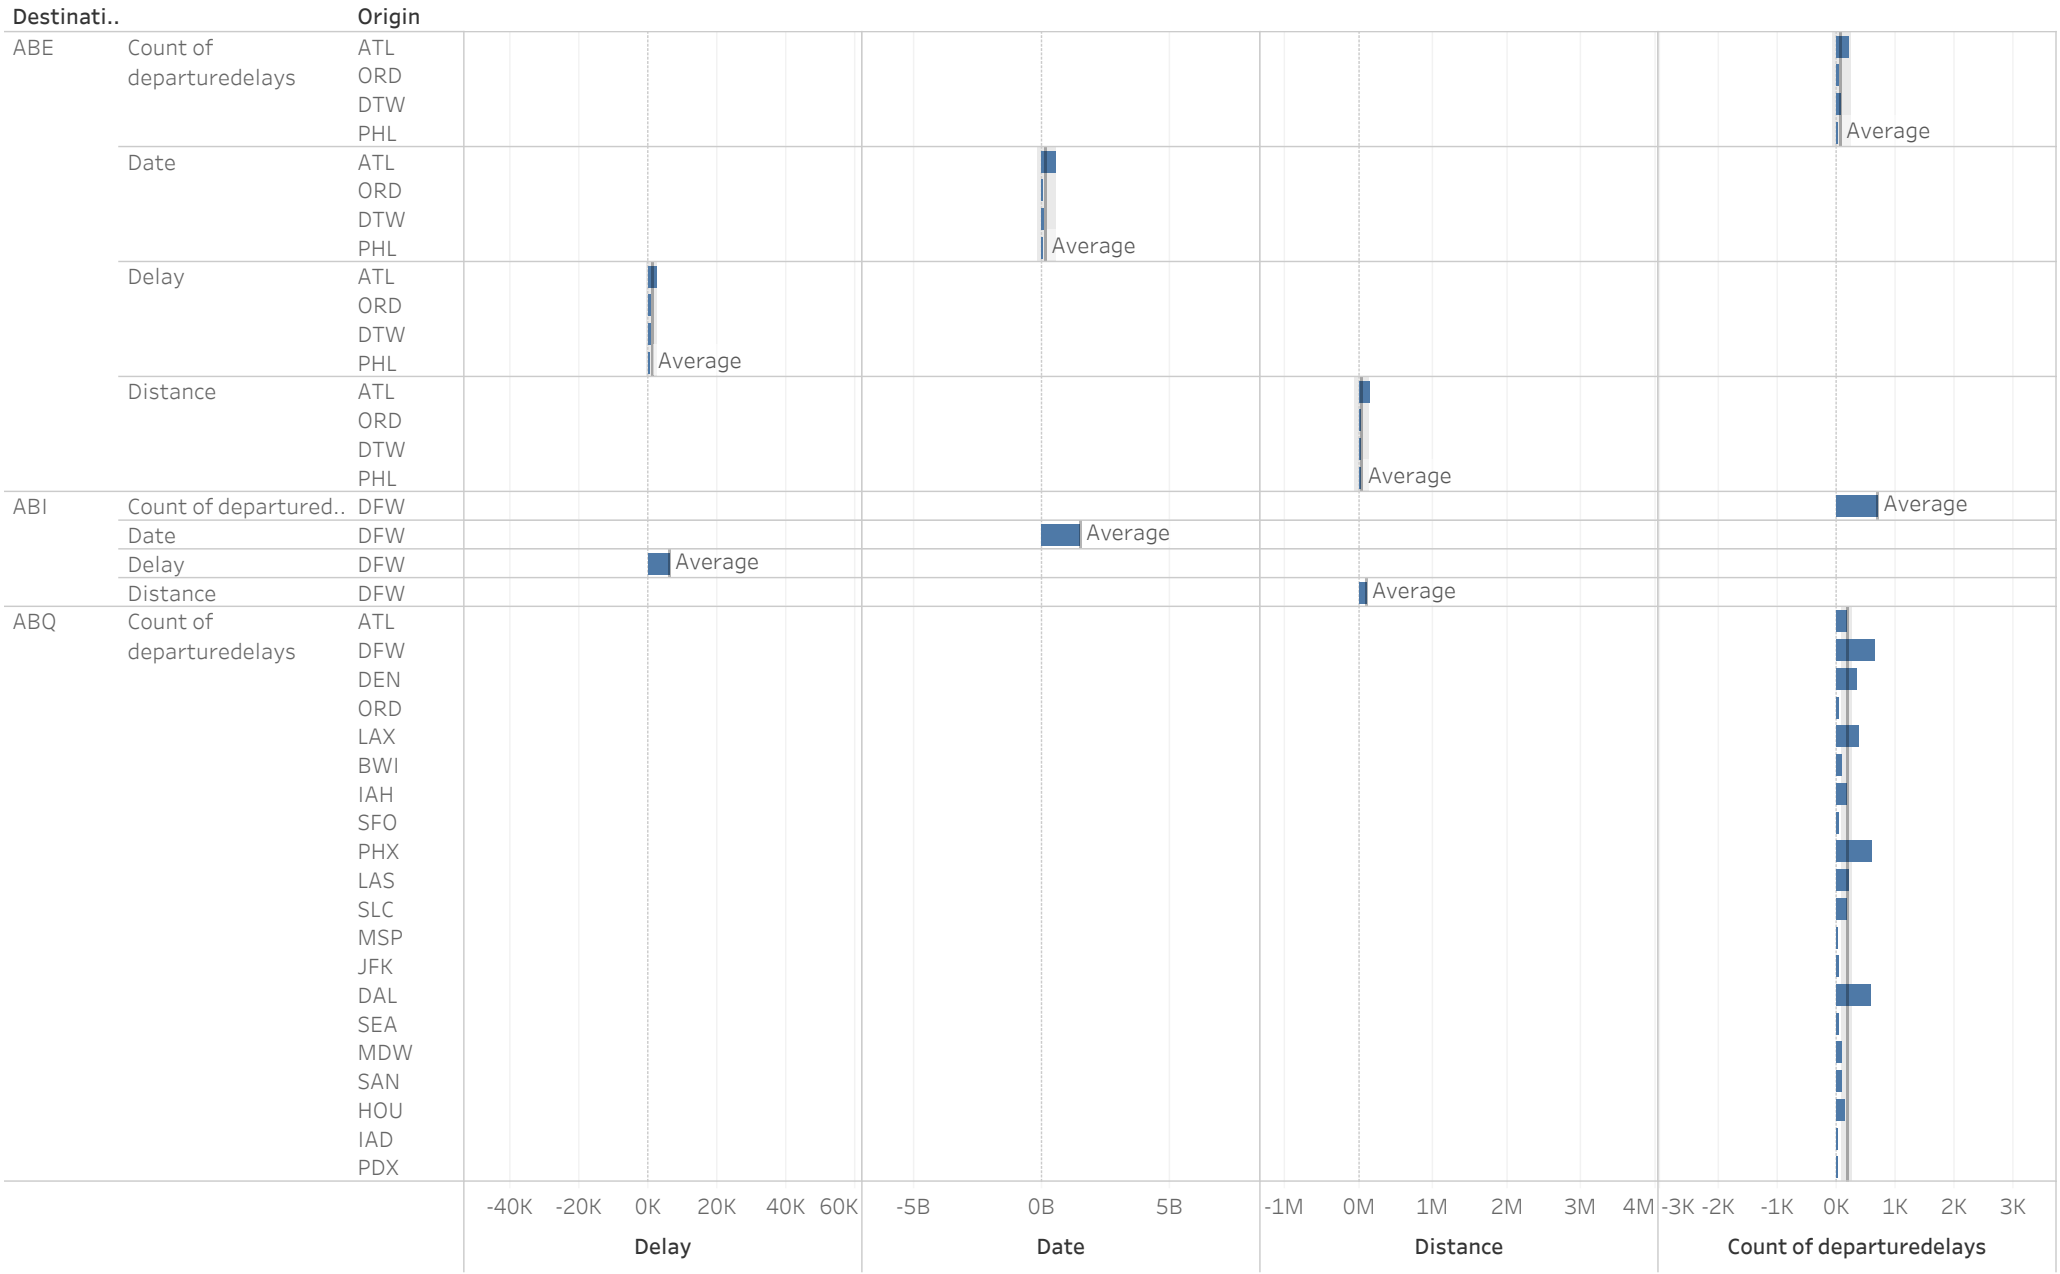
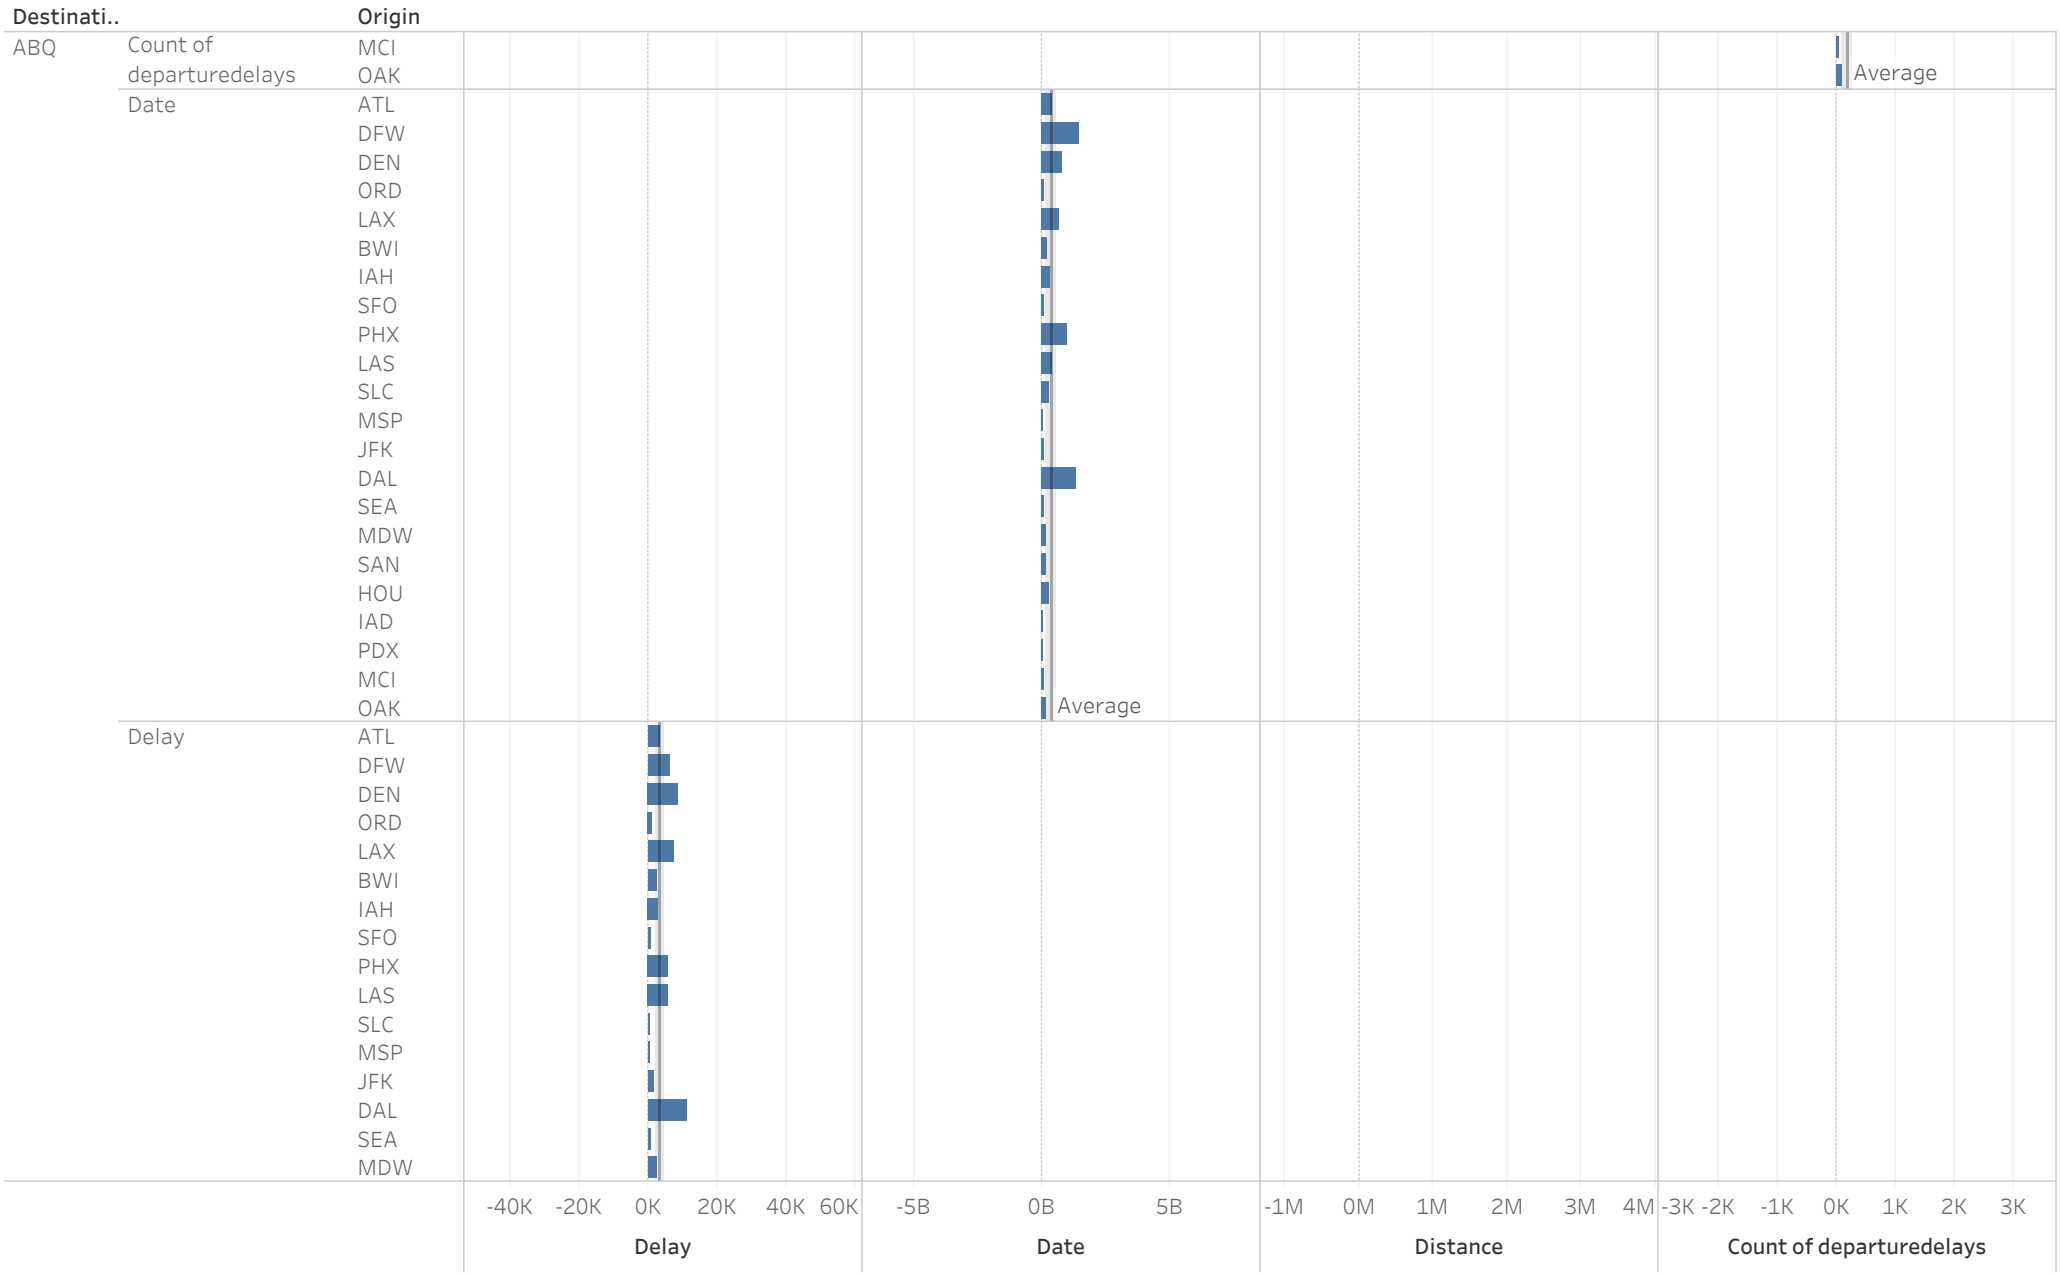
Sheet 2



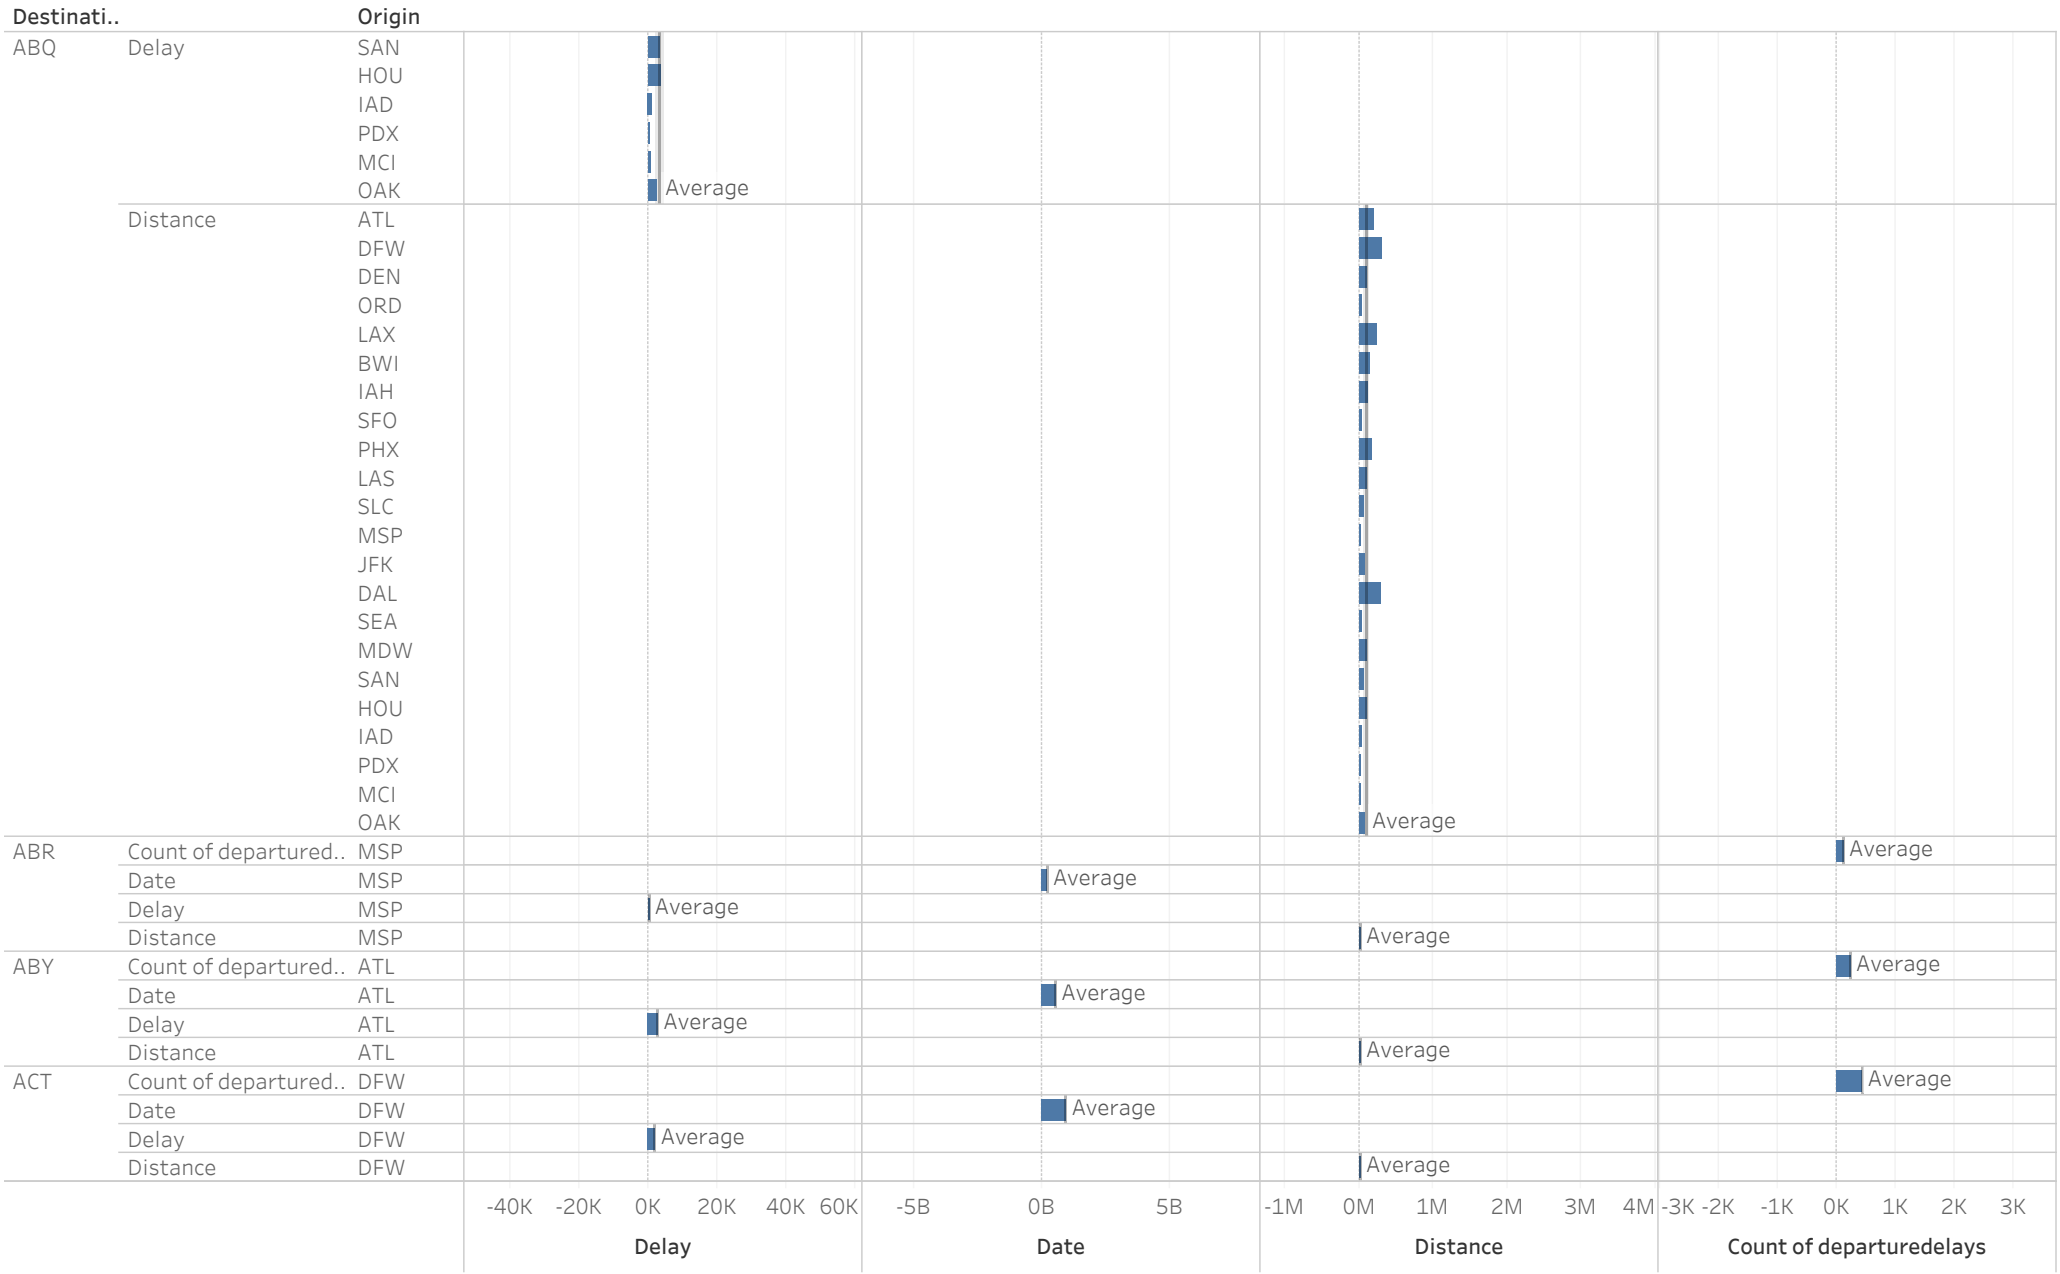
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



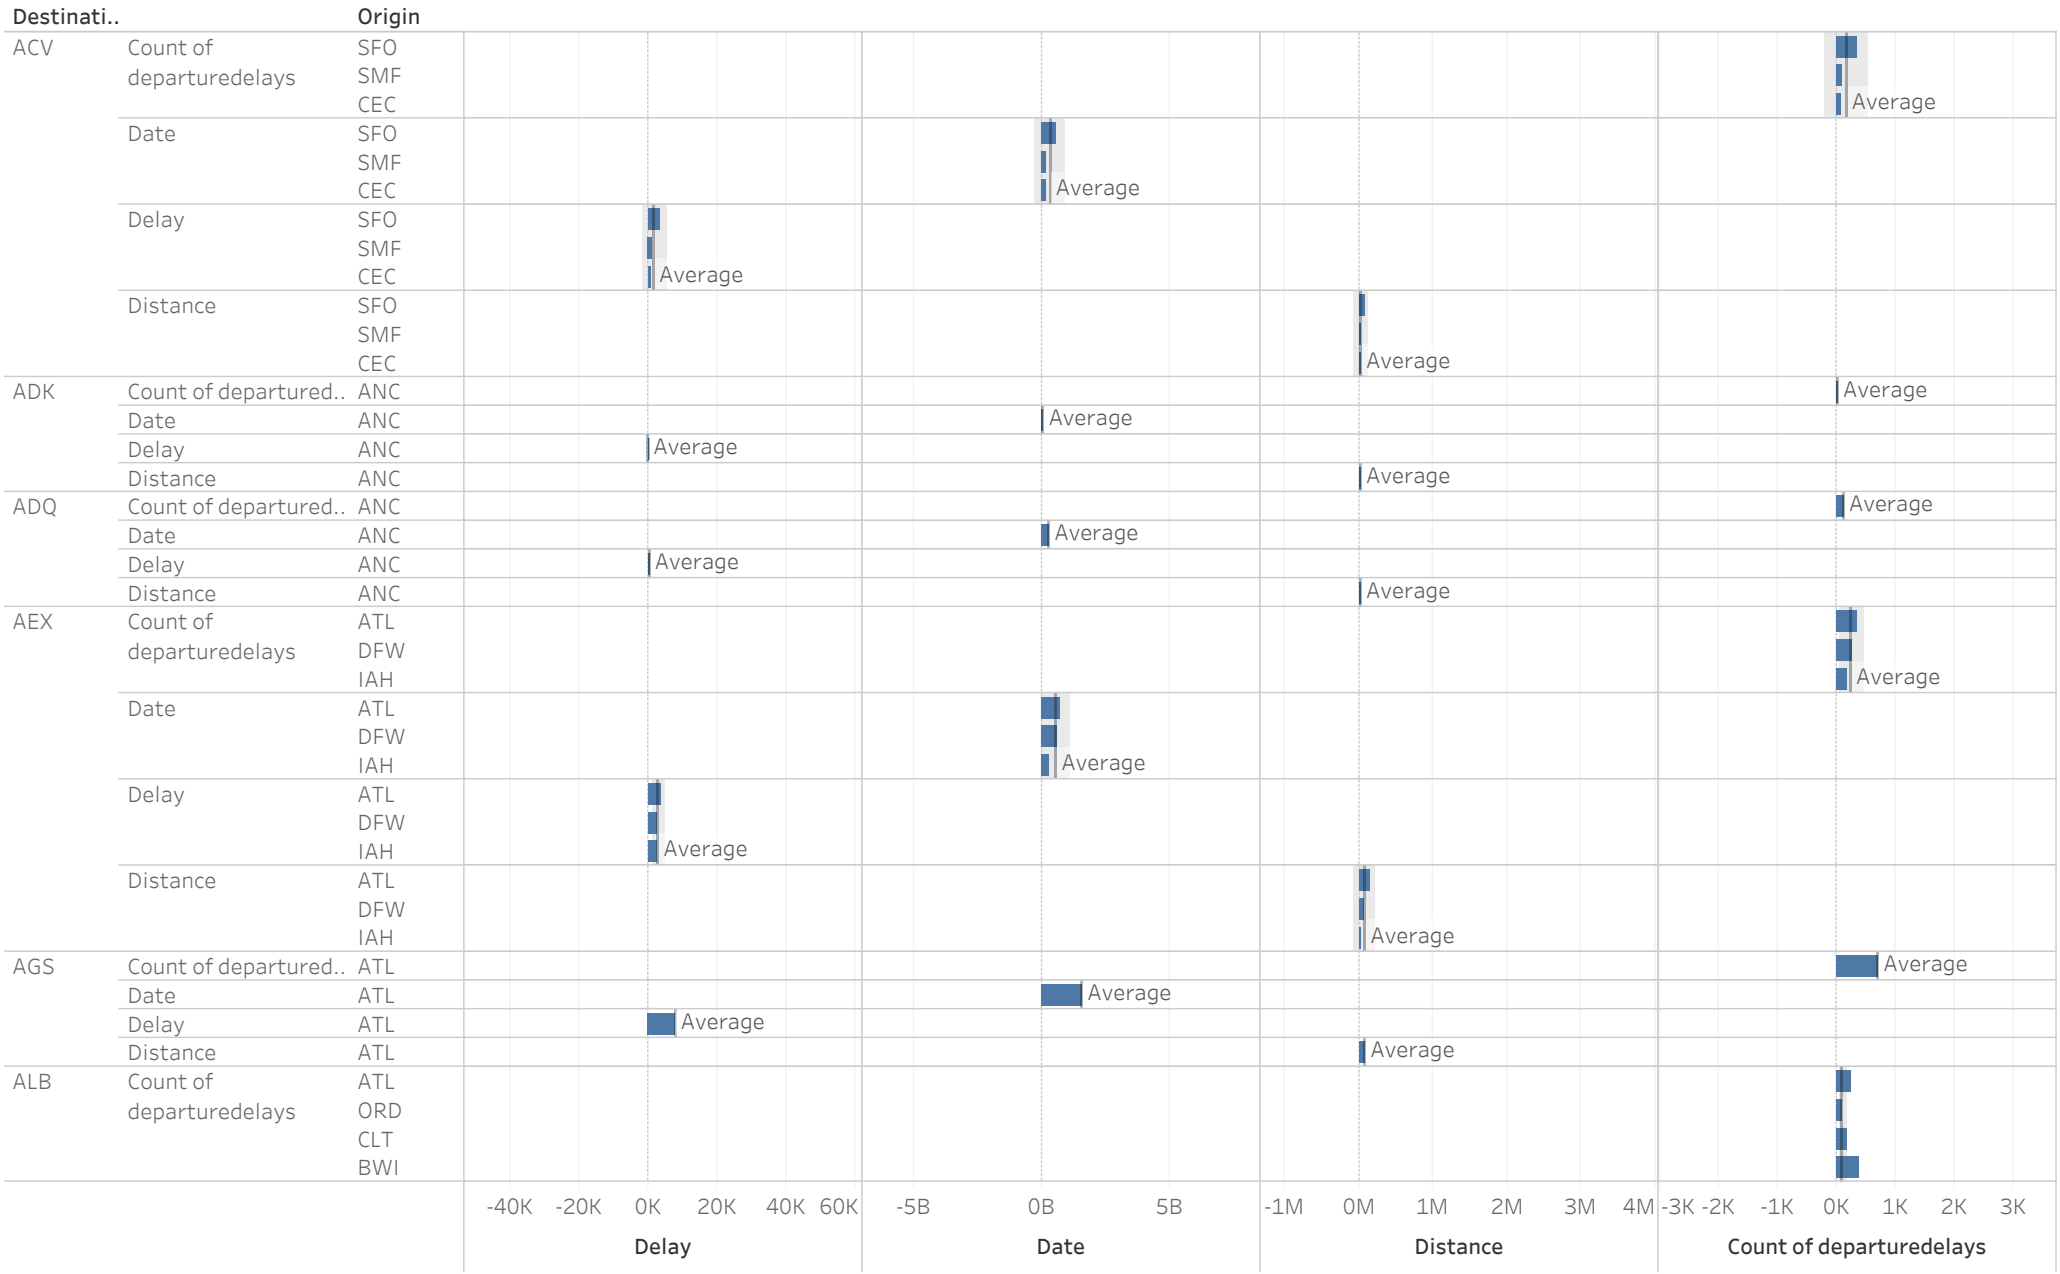
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



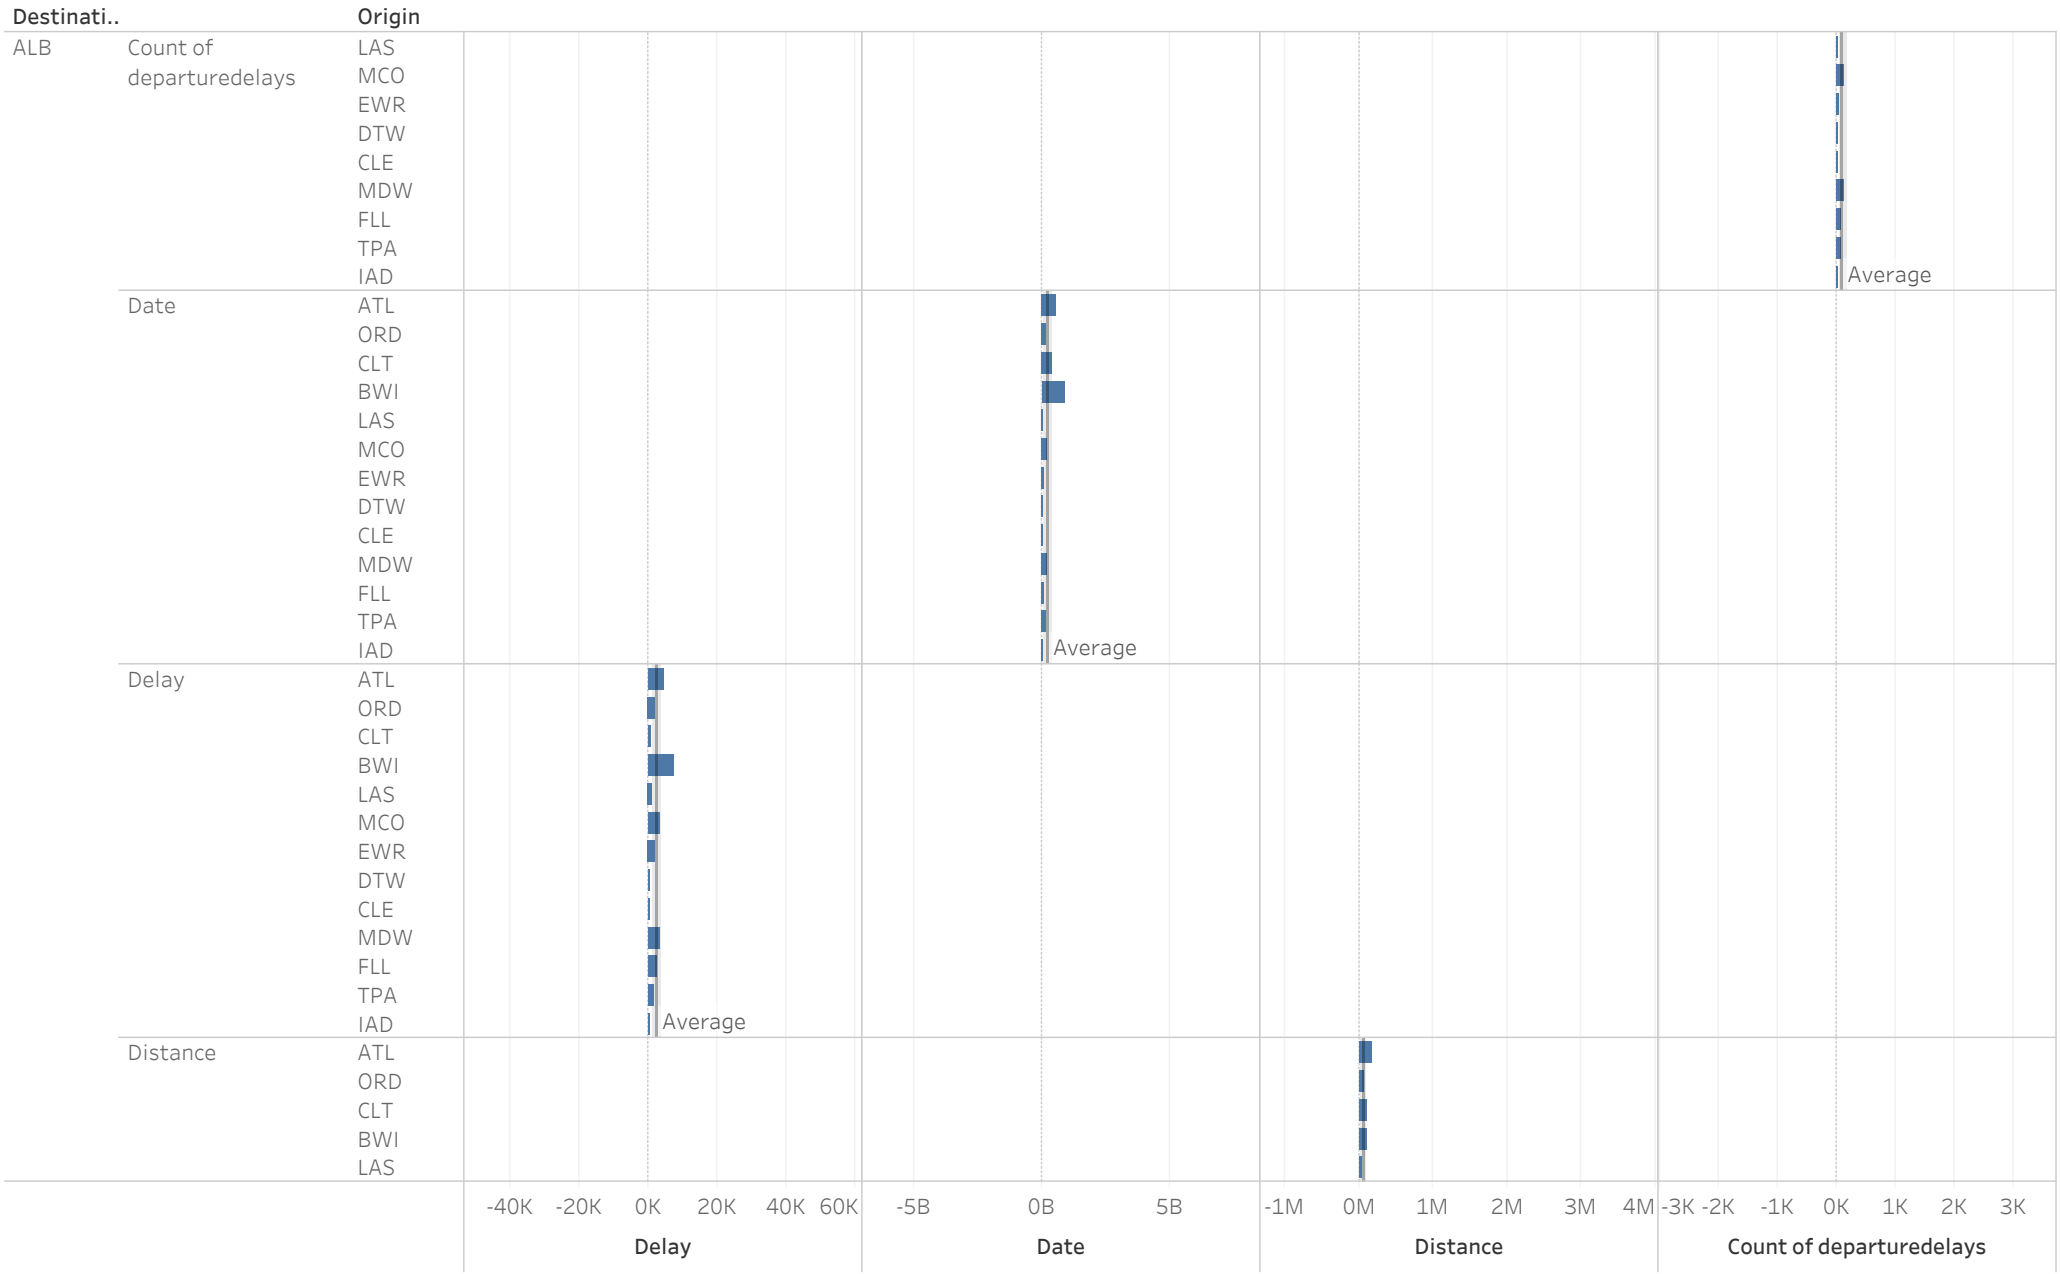
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



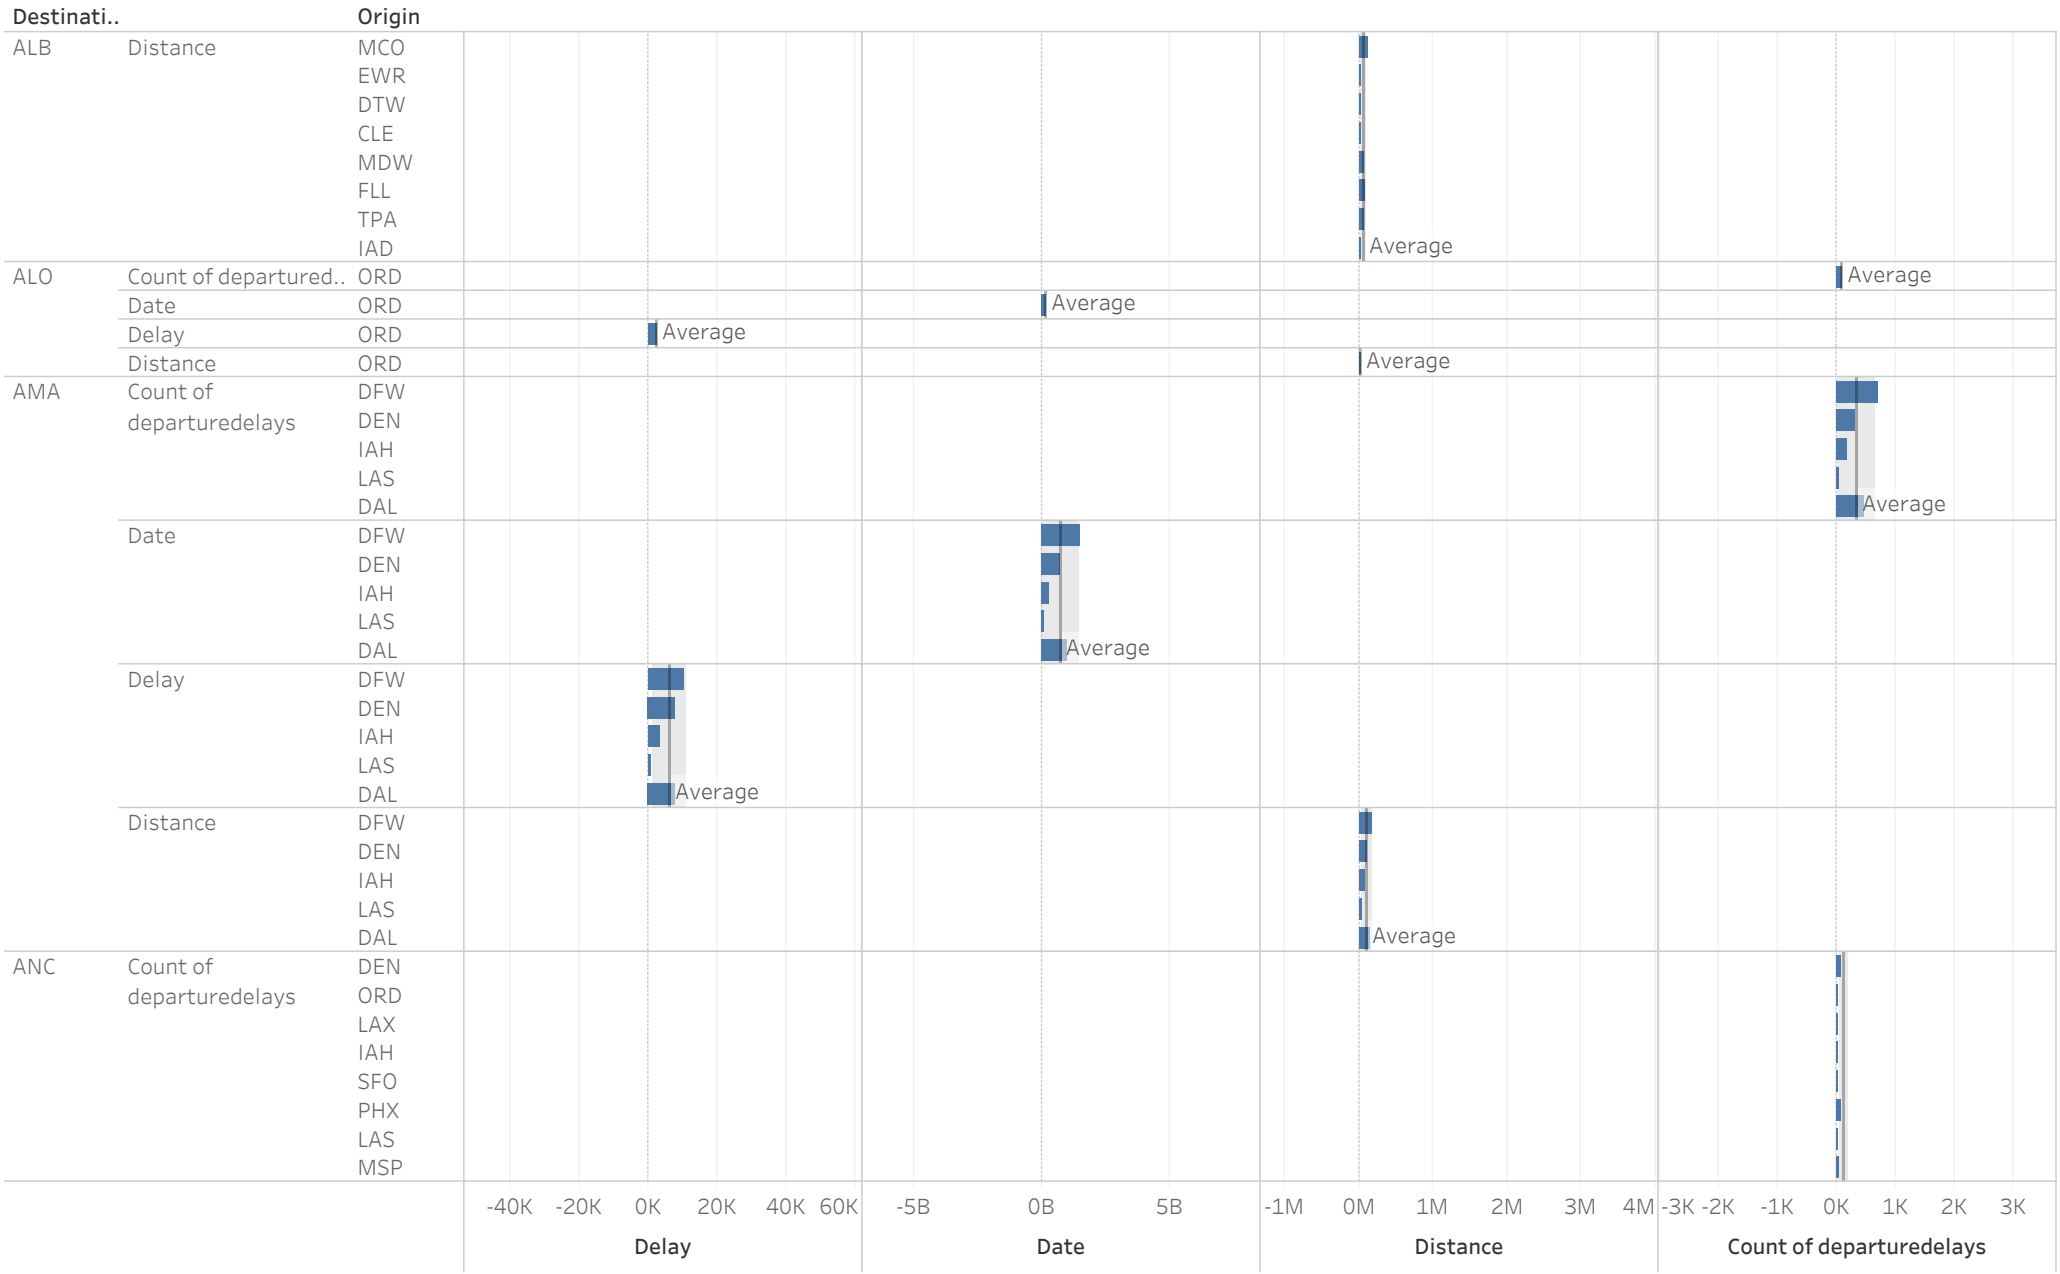
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



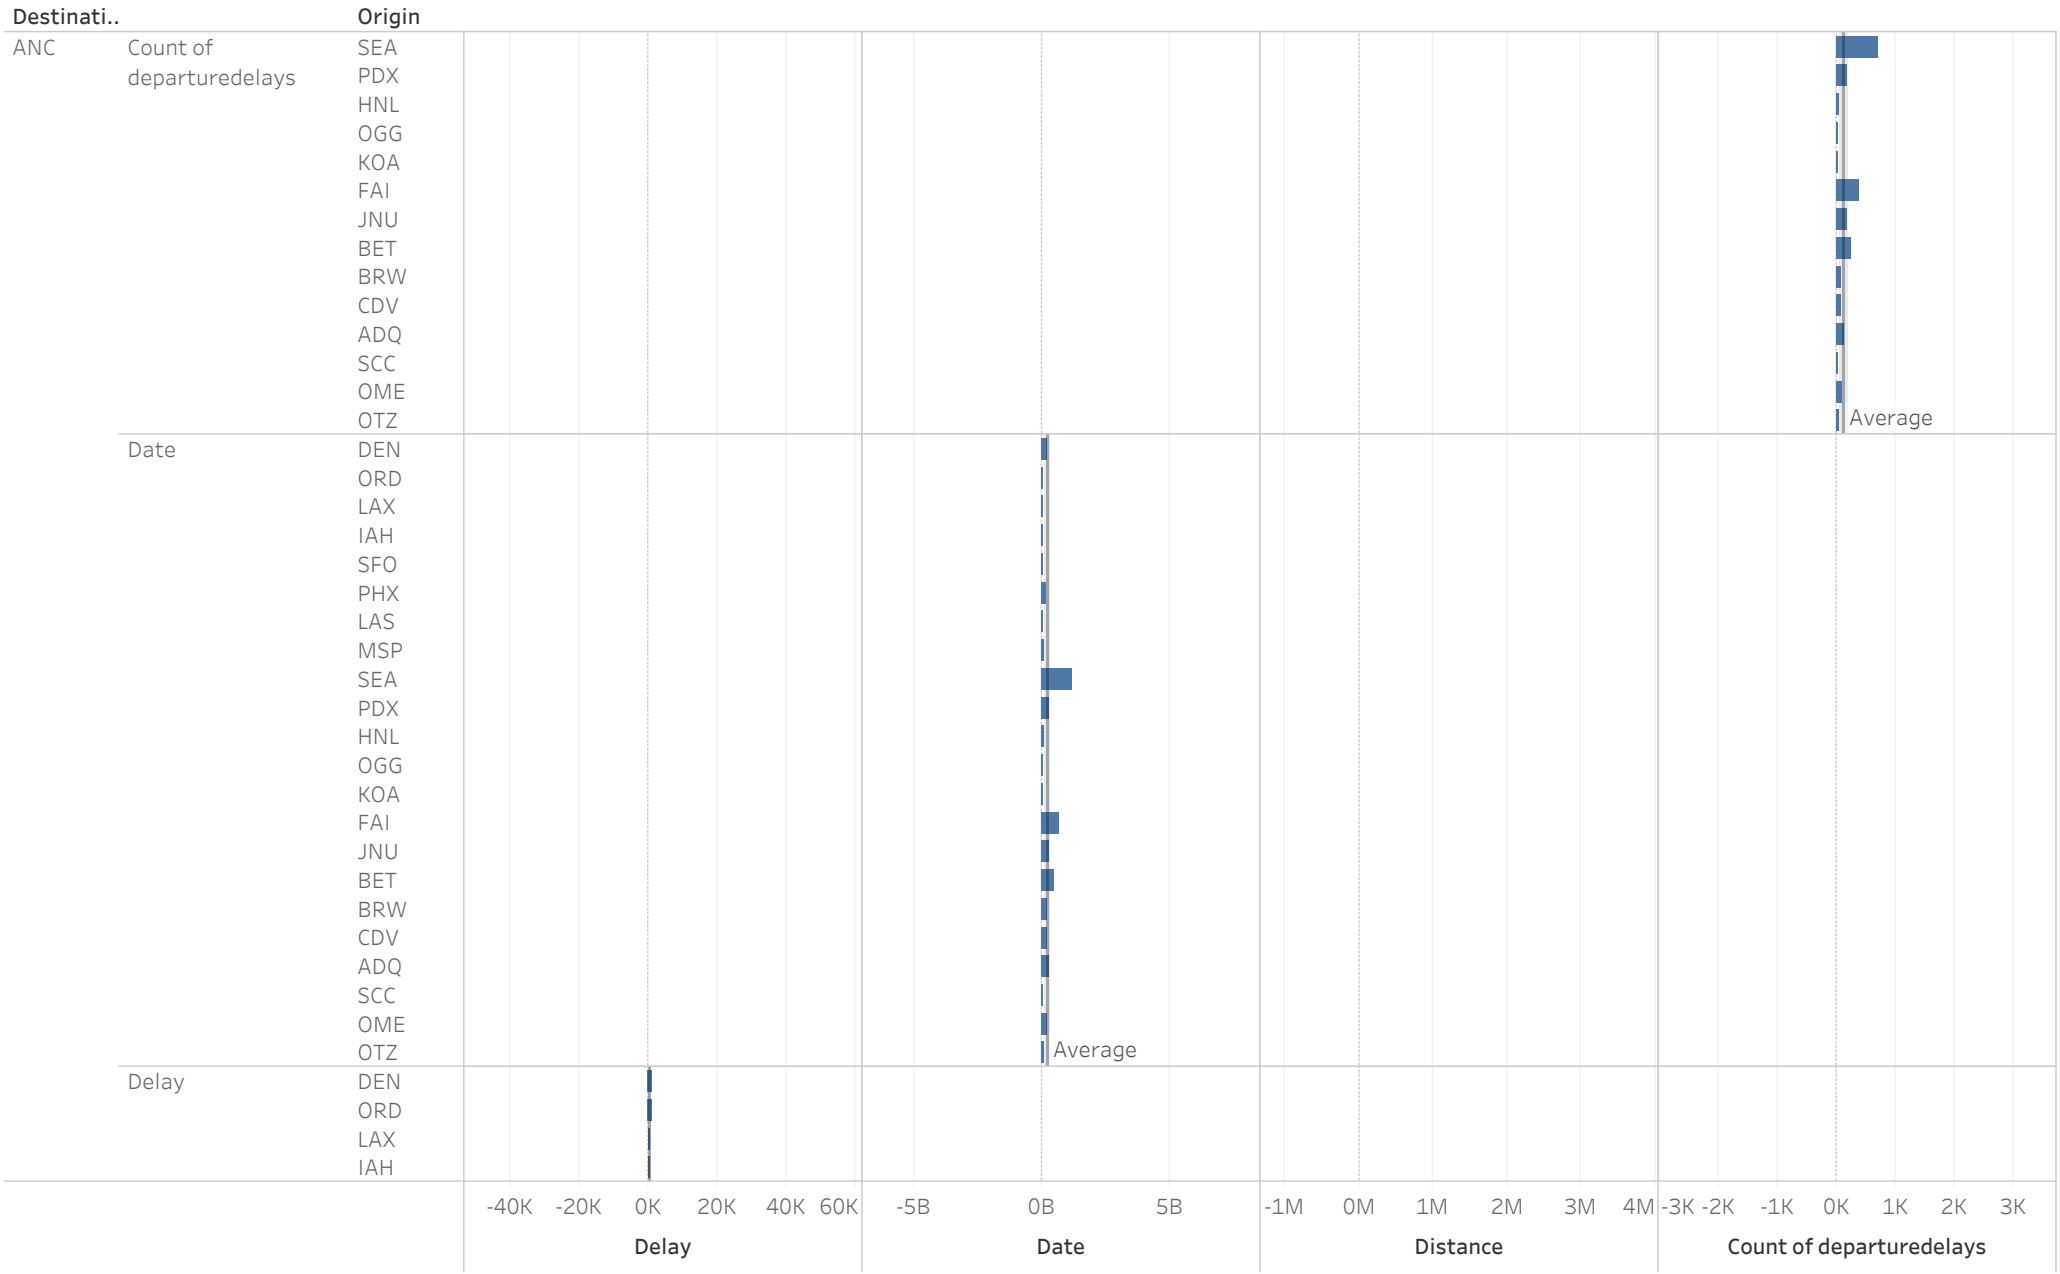
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



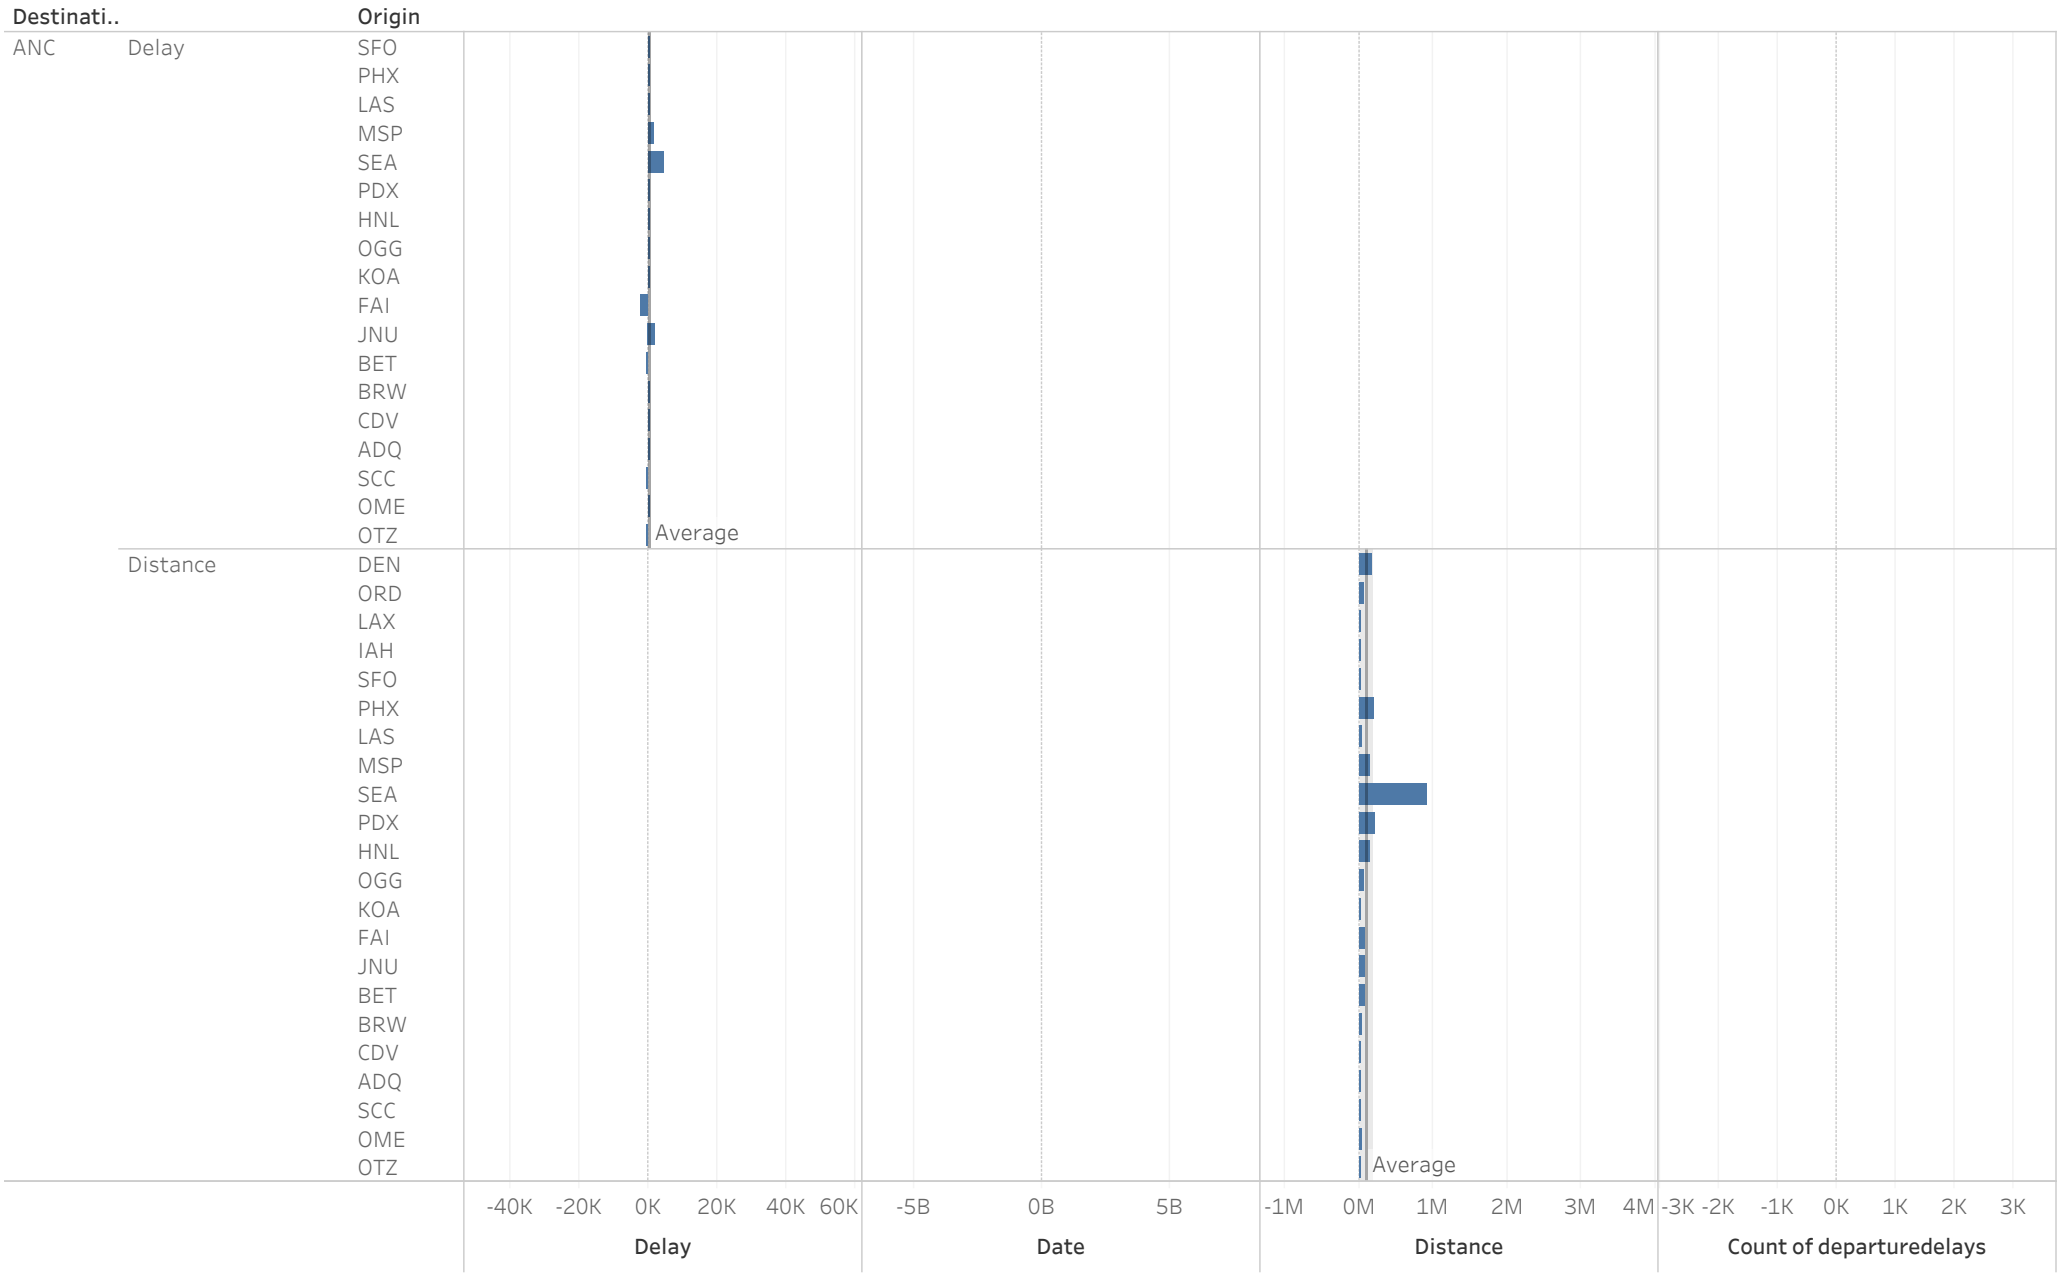
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



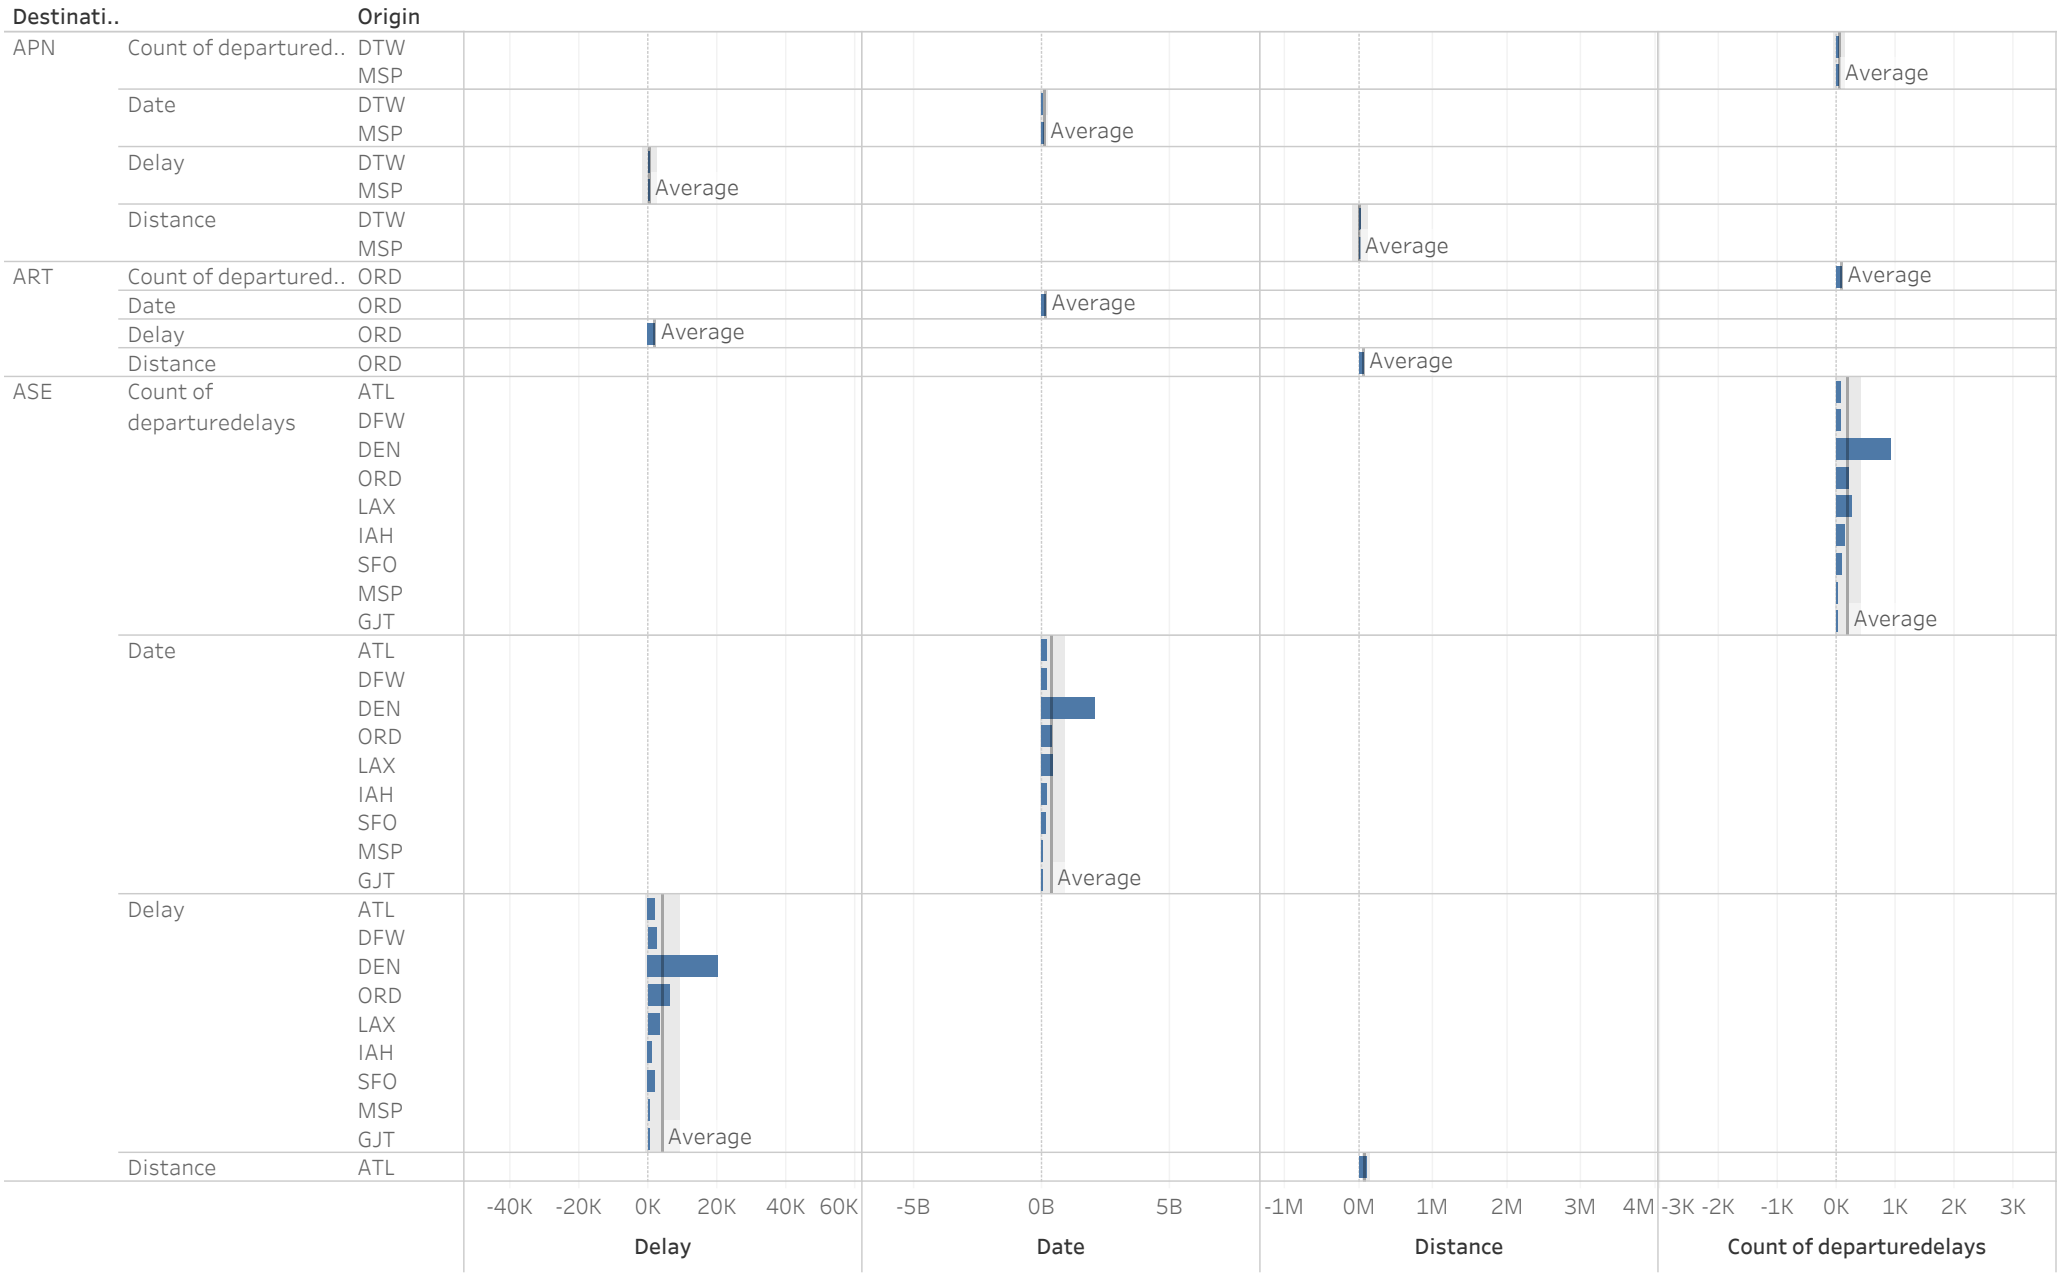
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



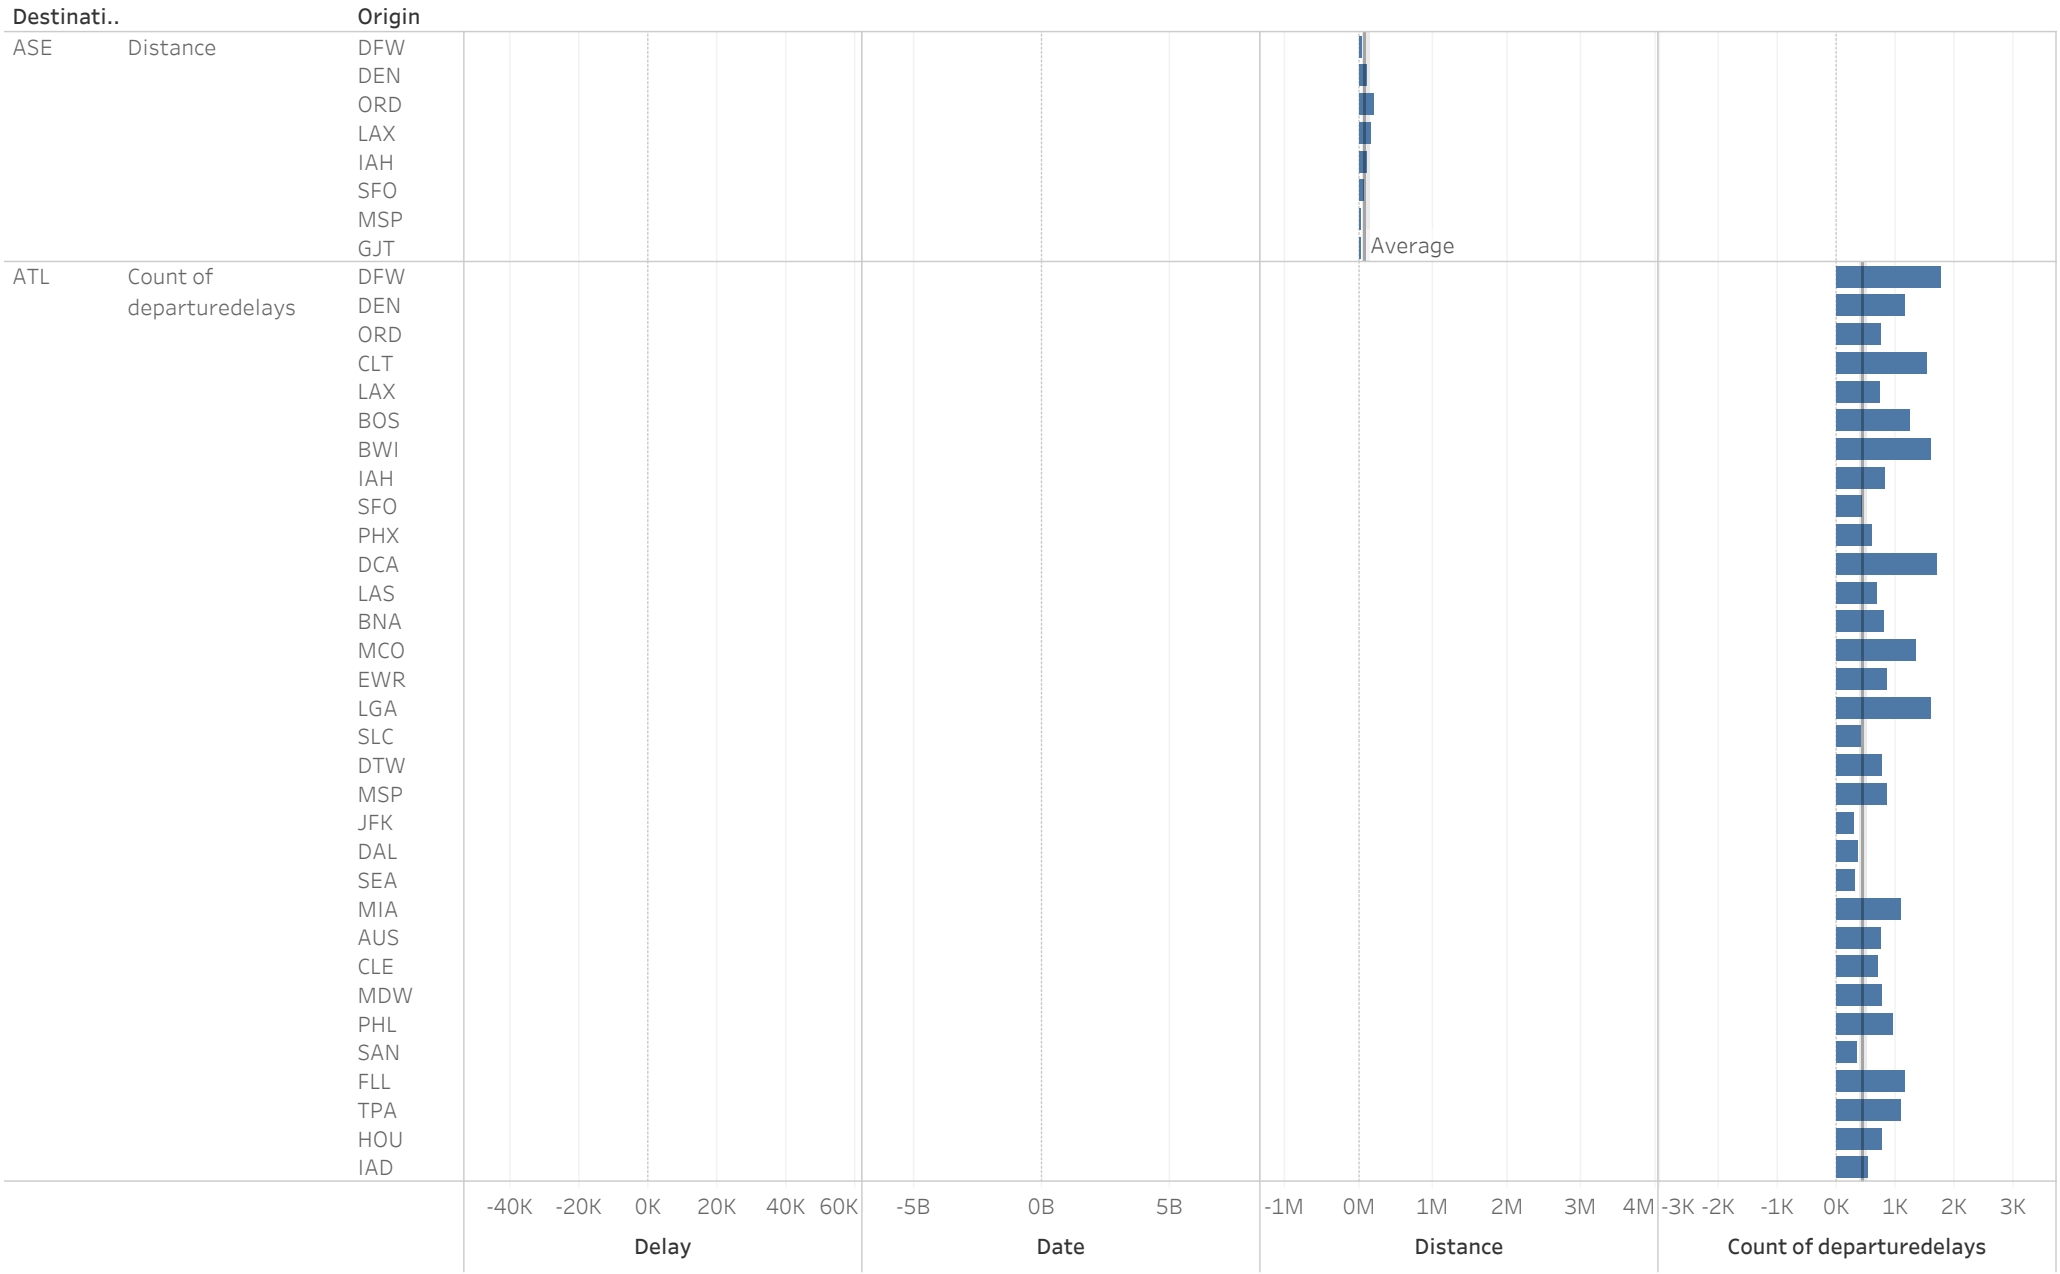
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



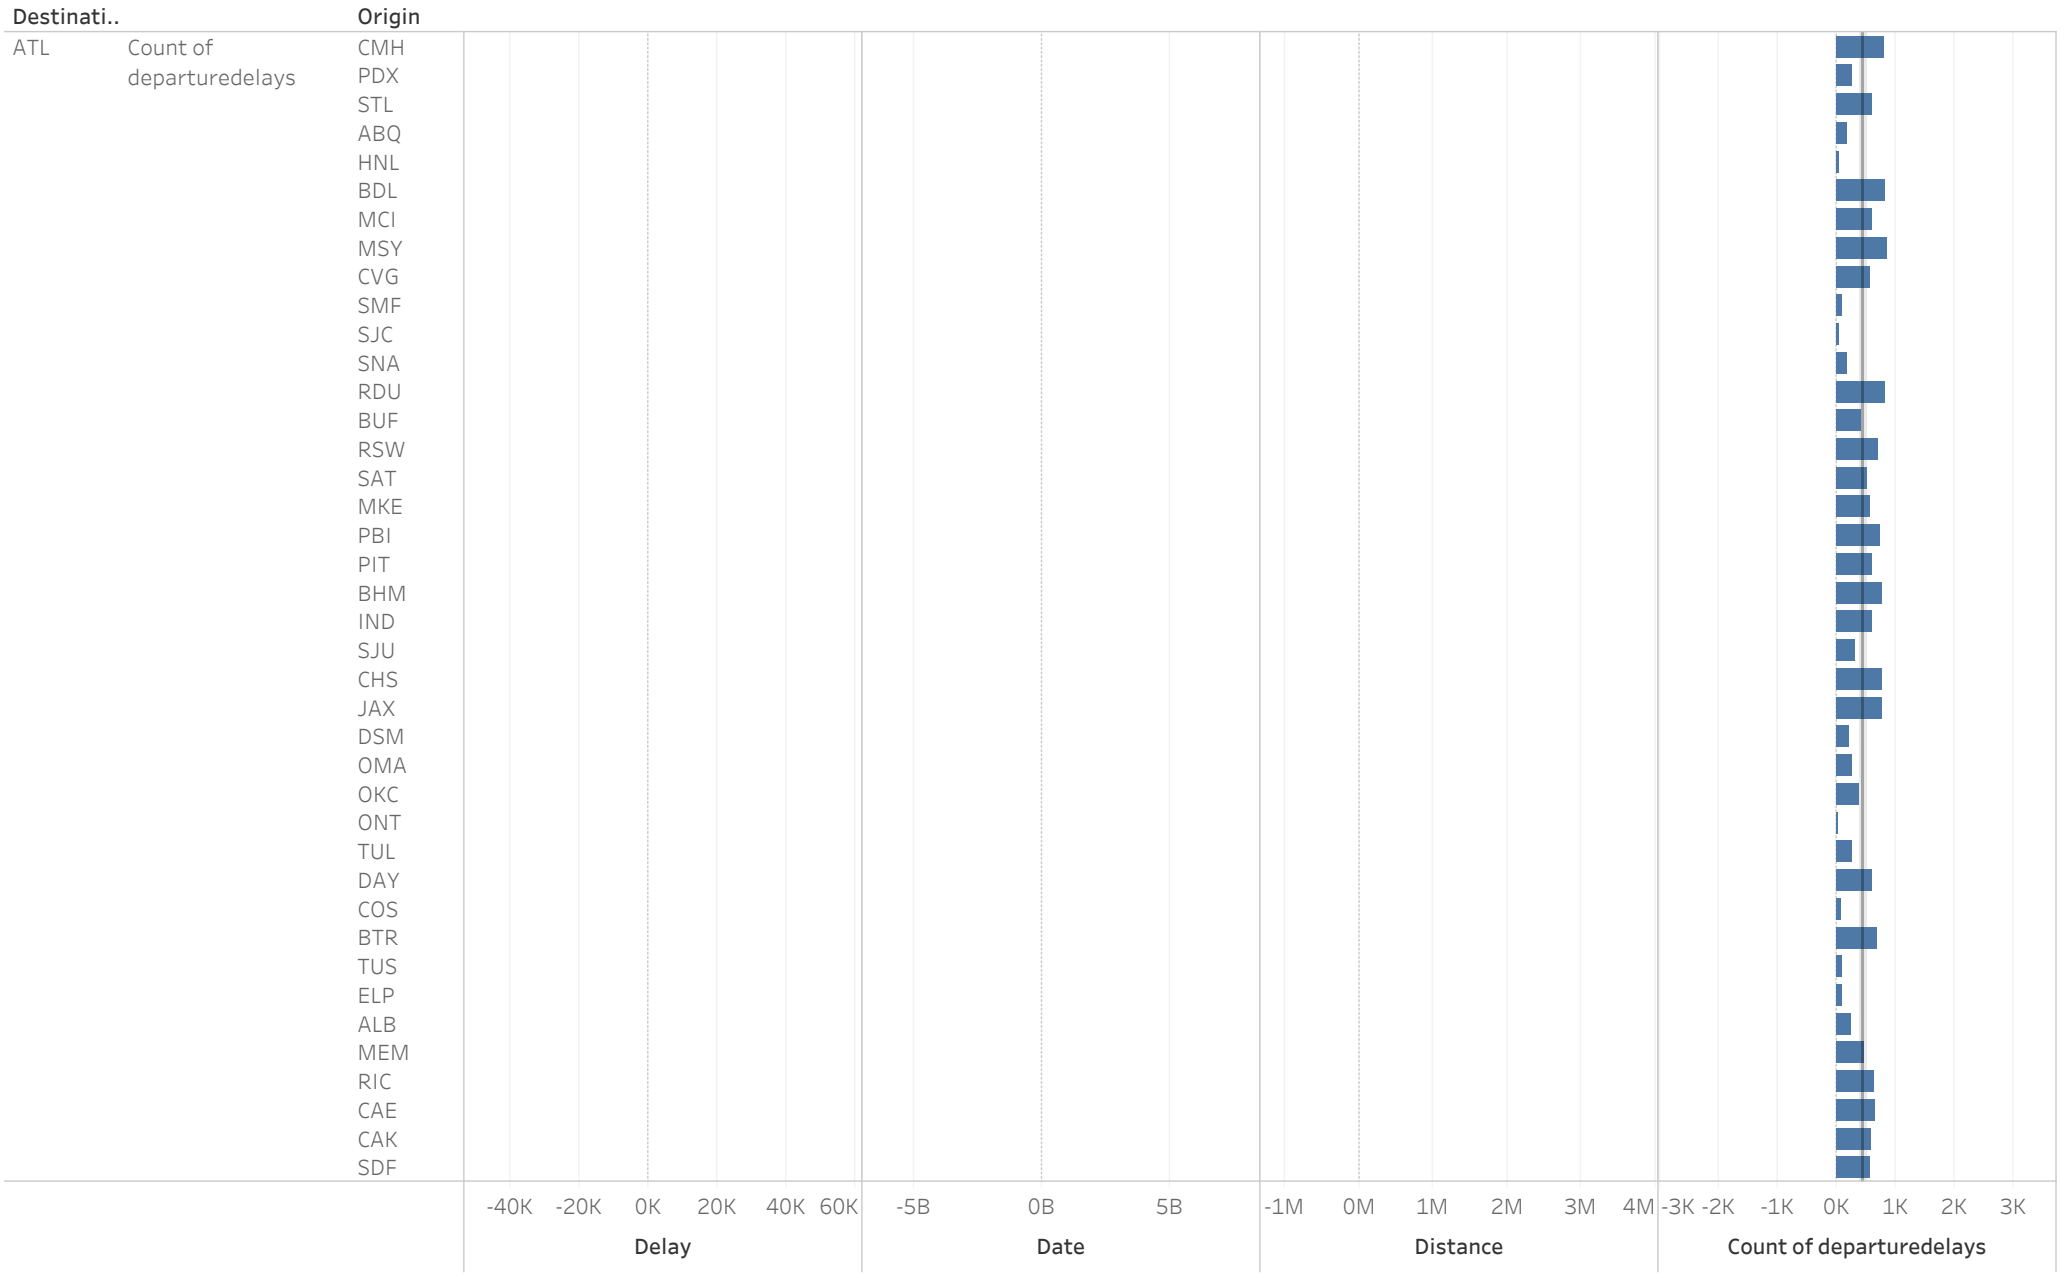
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



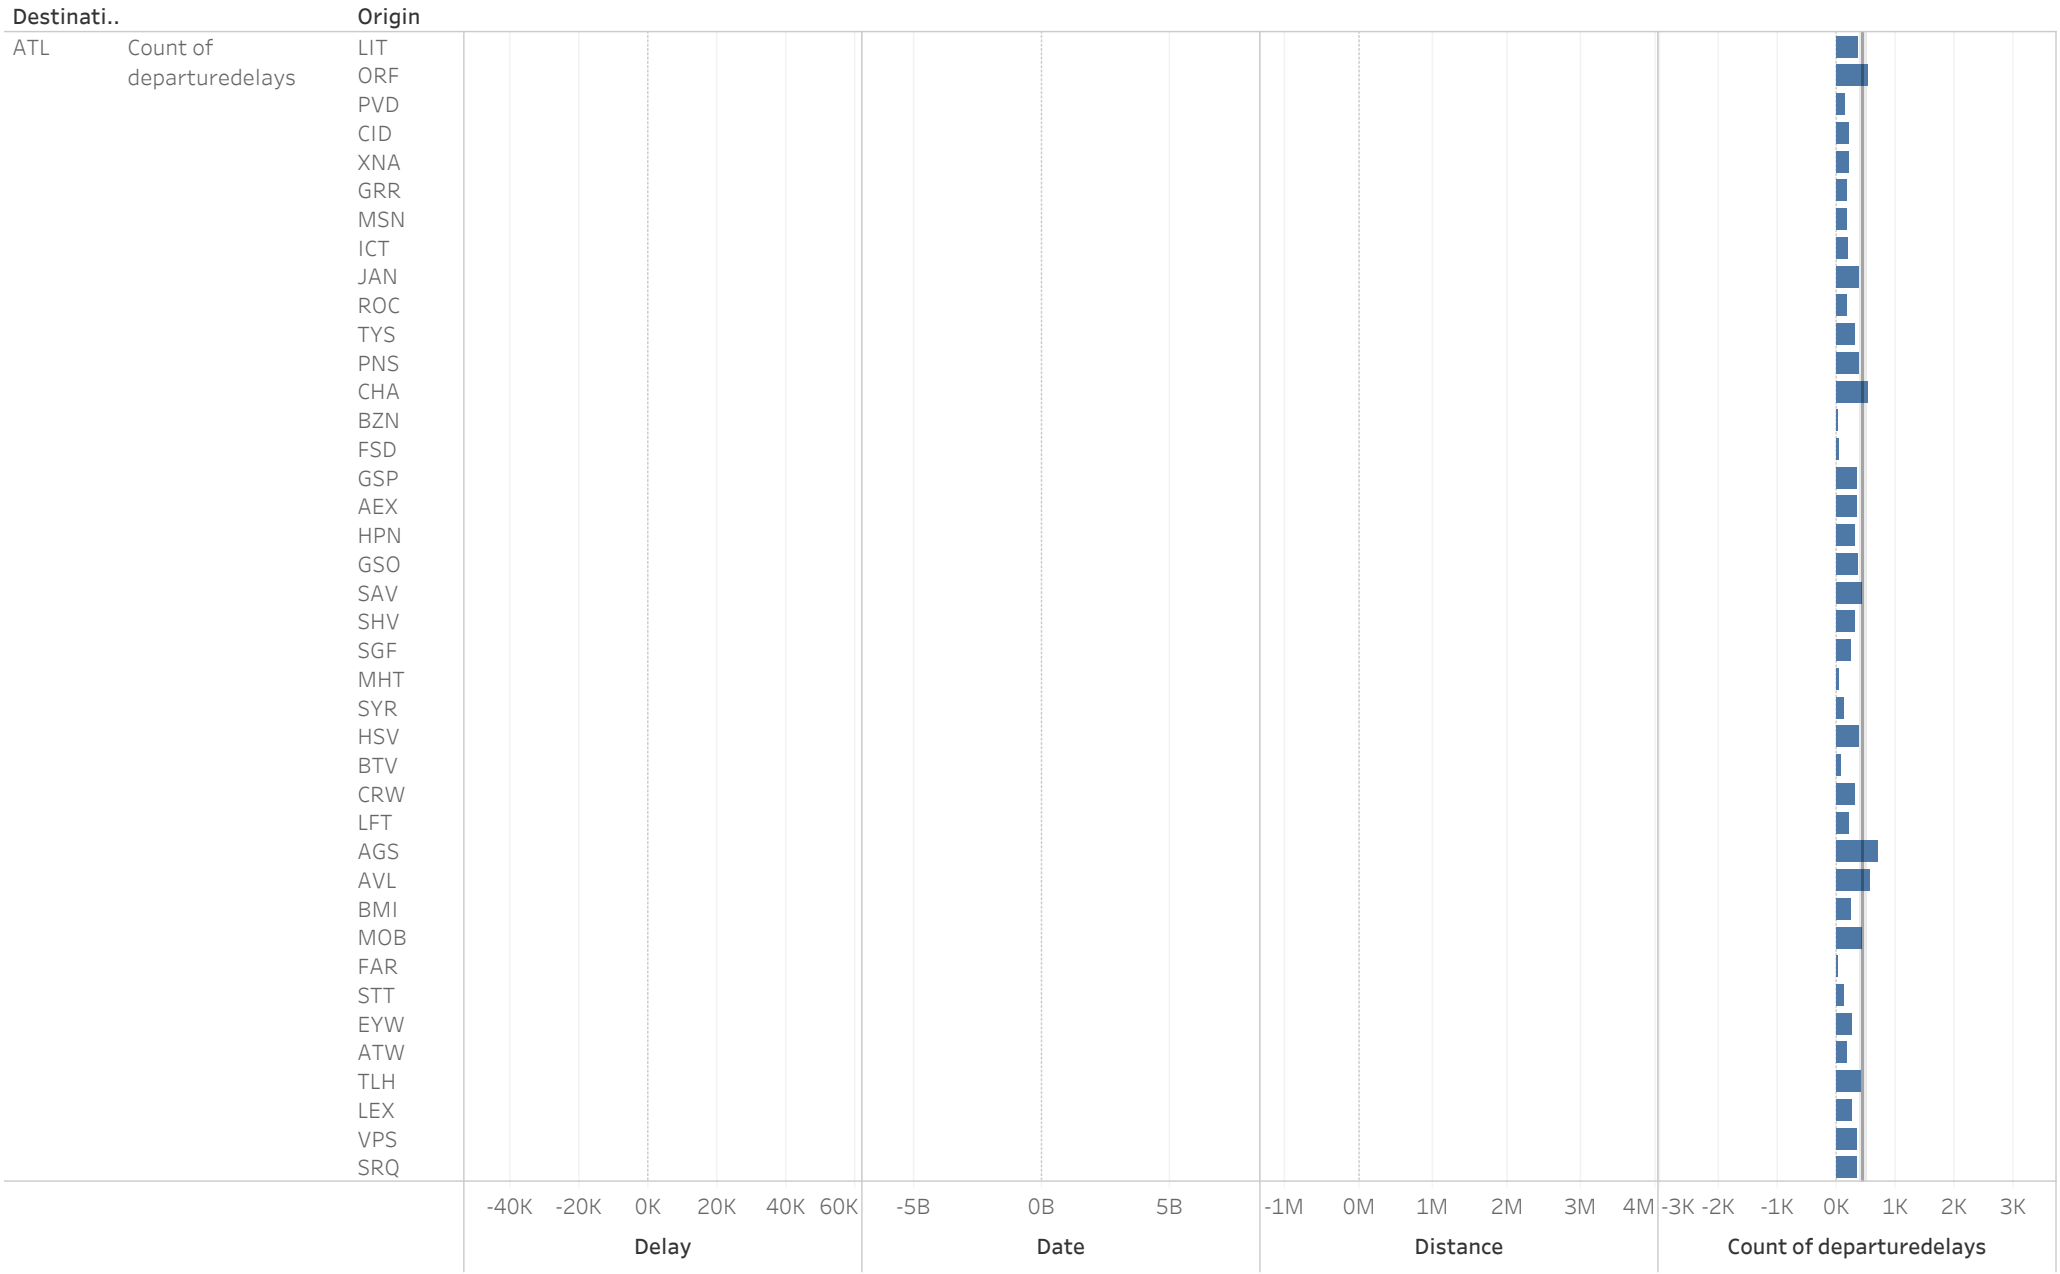
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



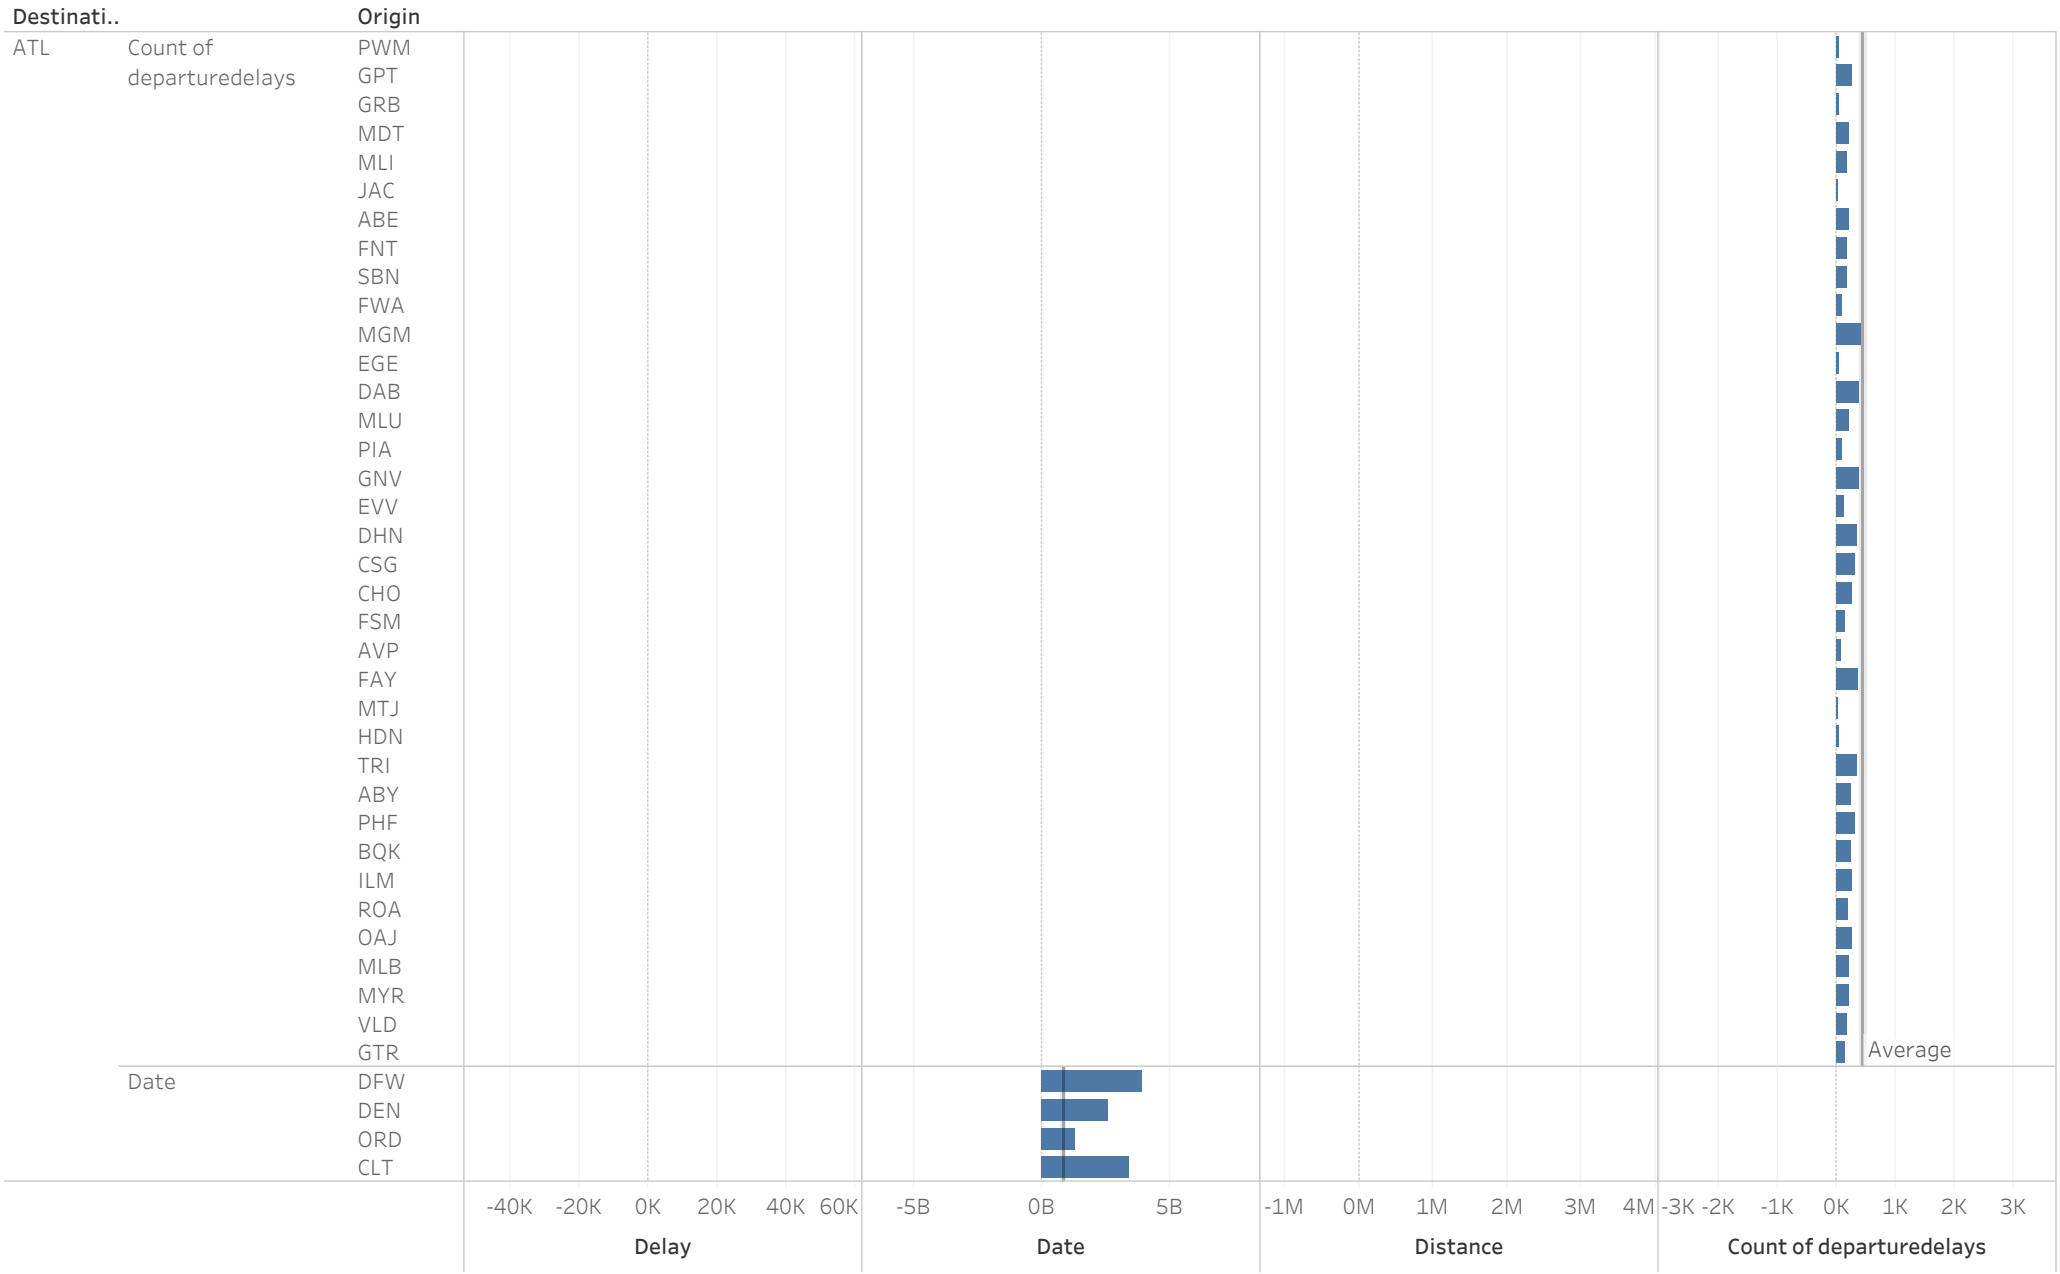
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



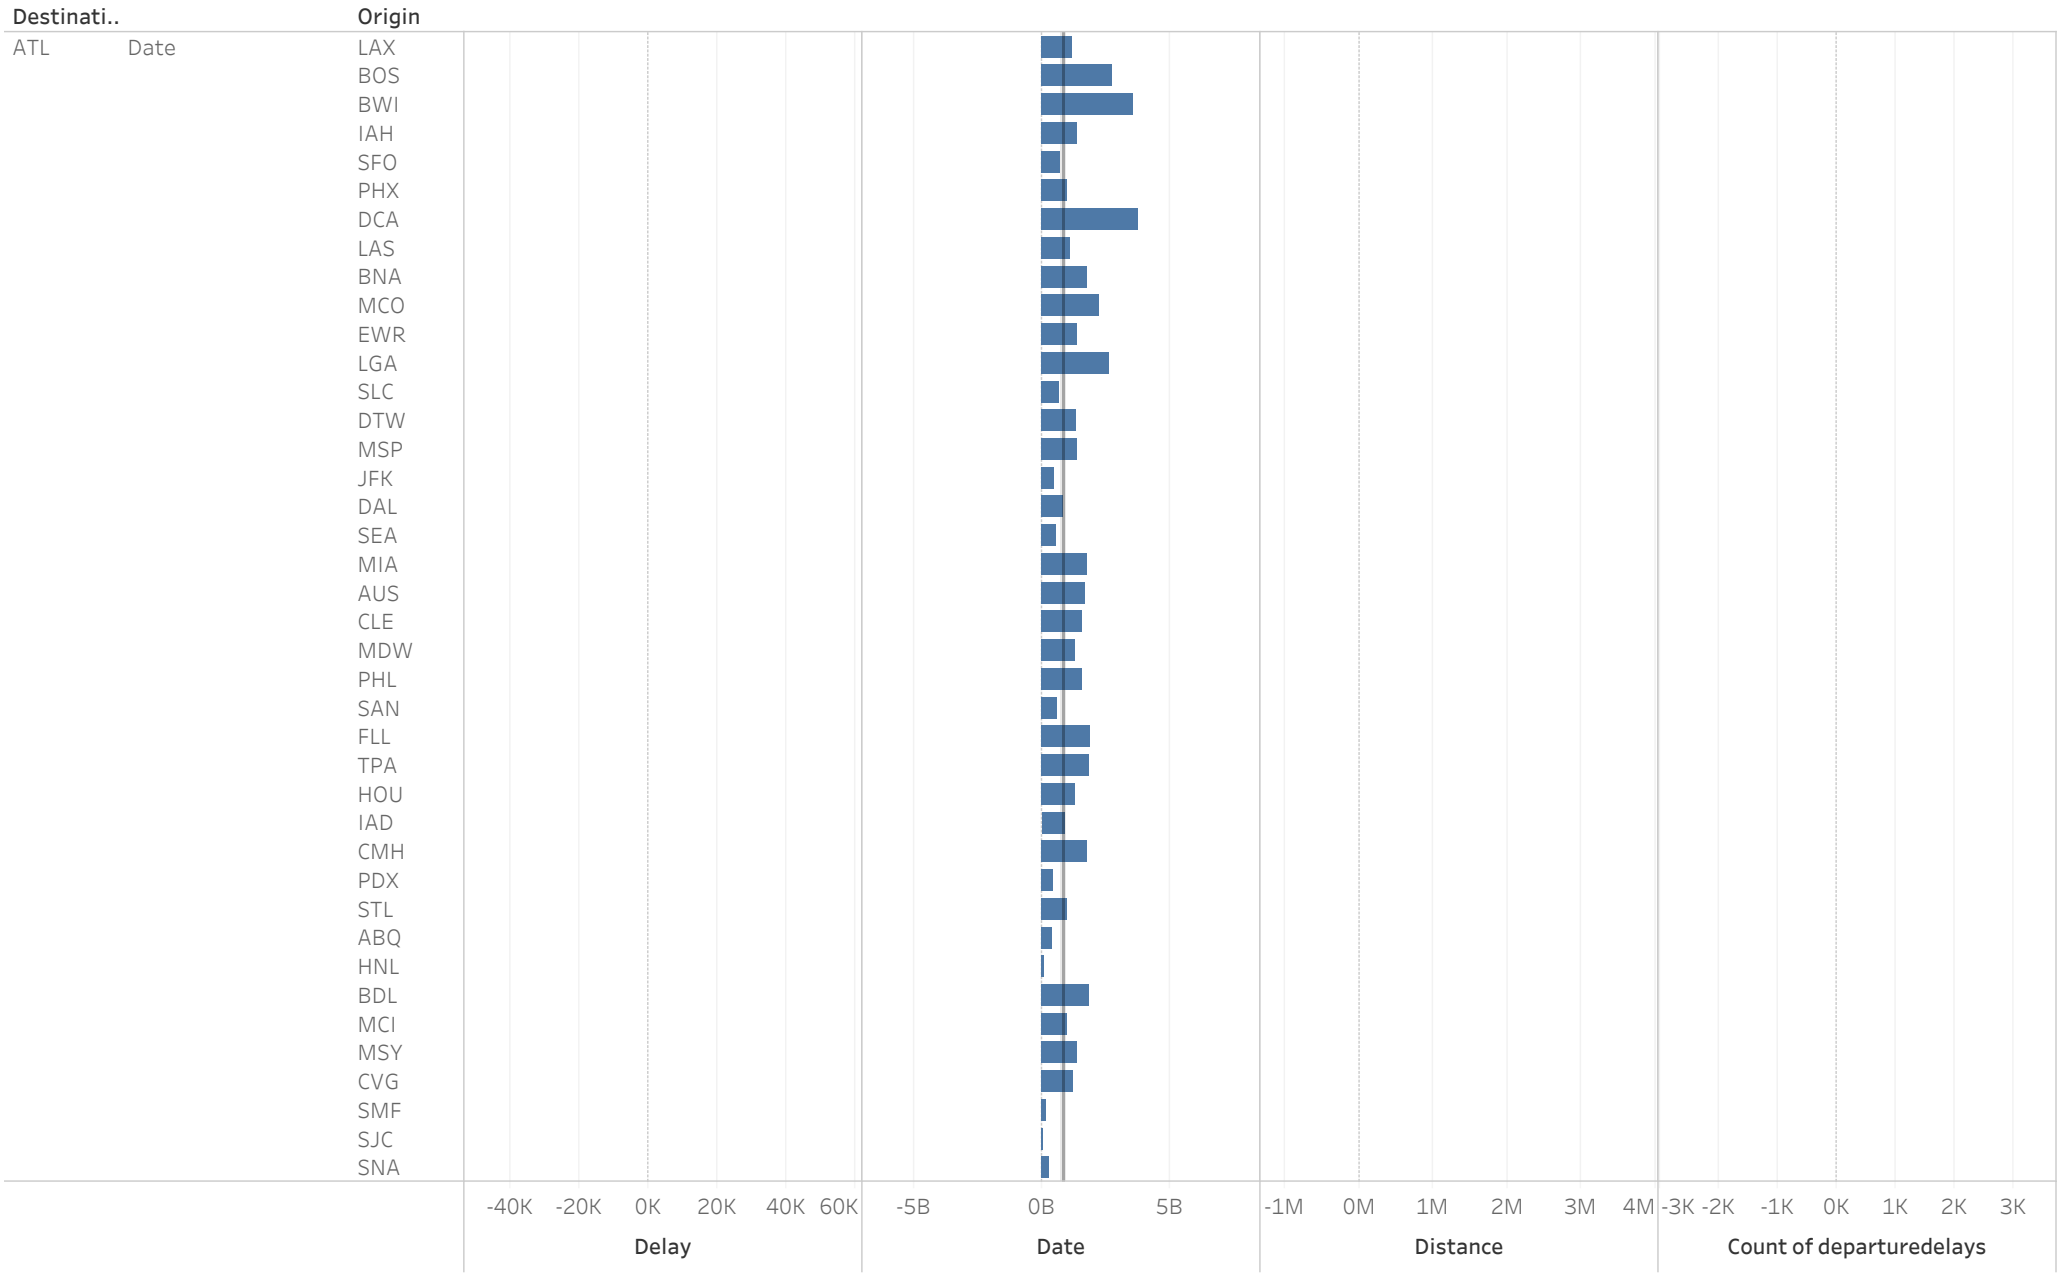
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



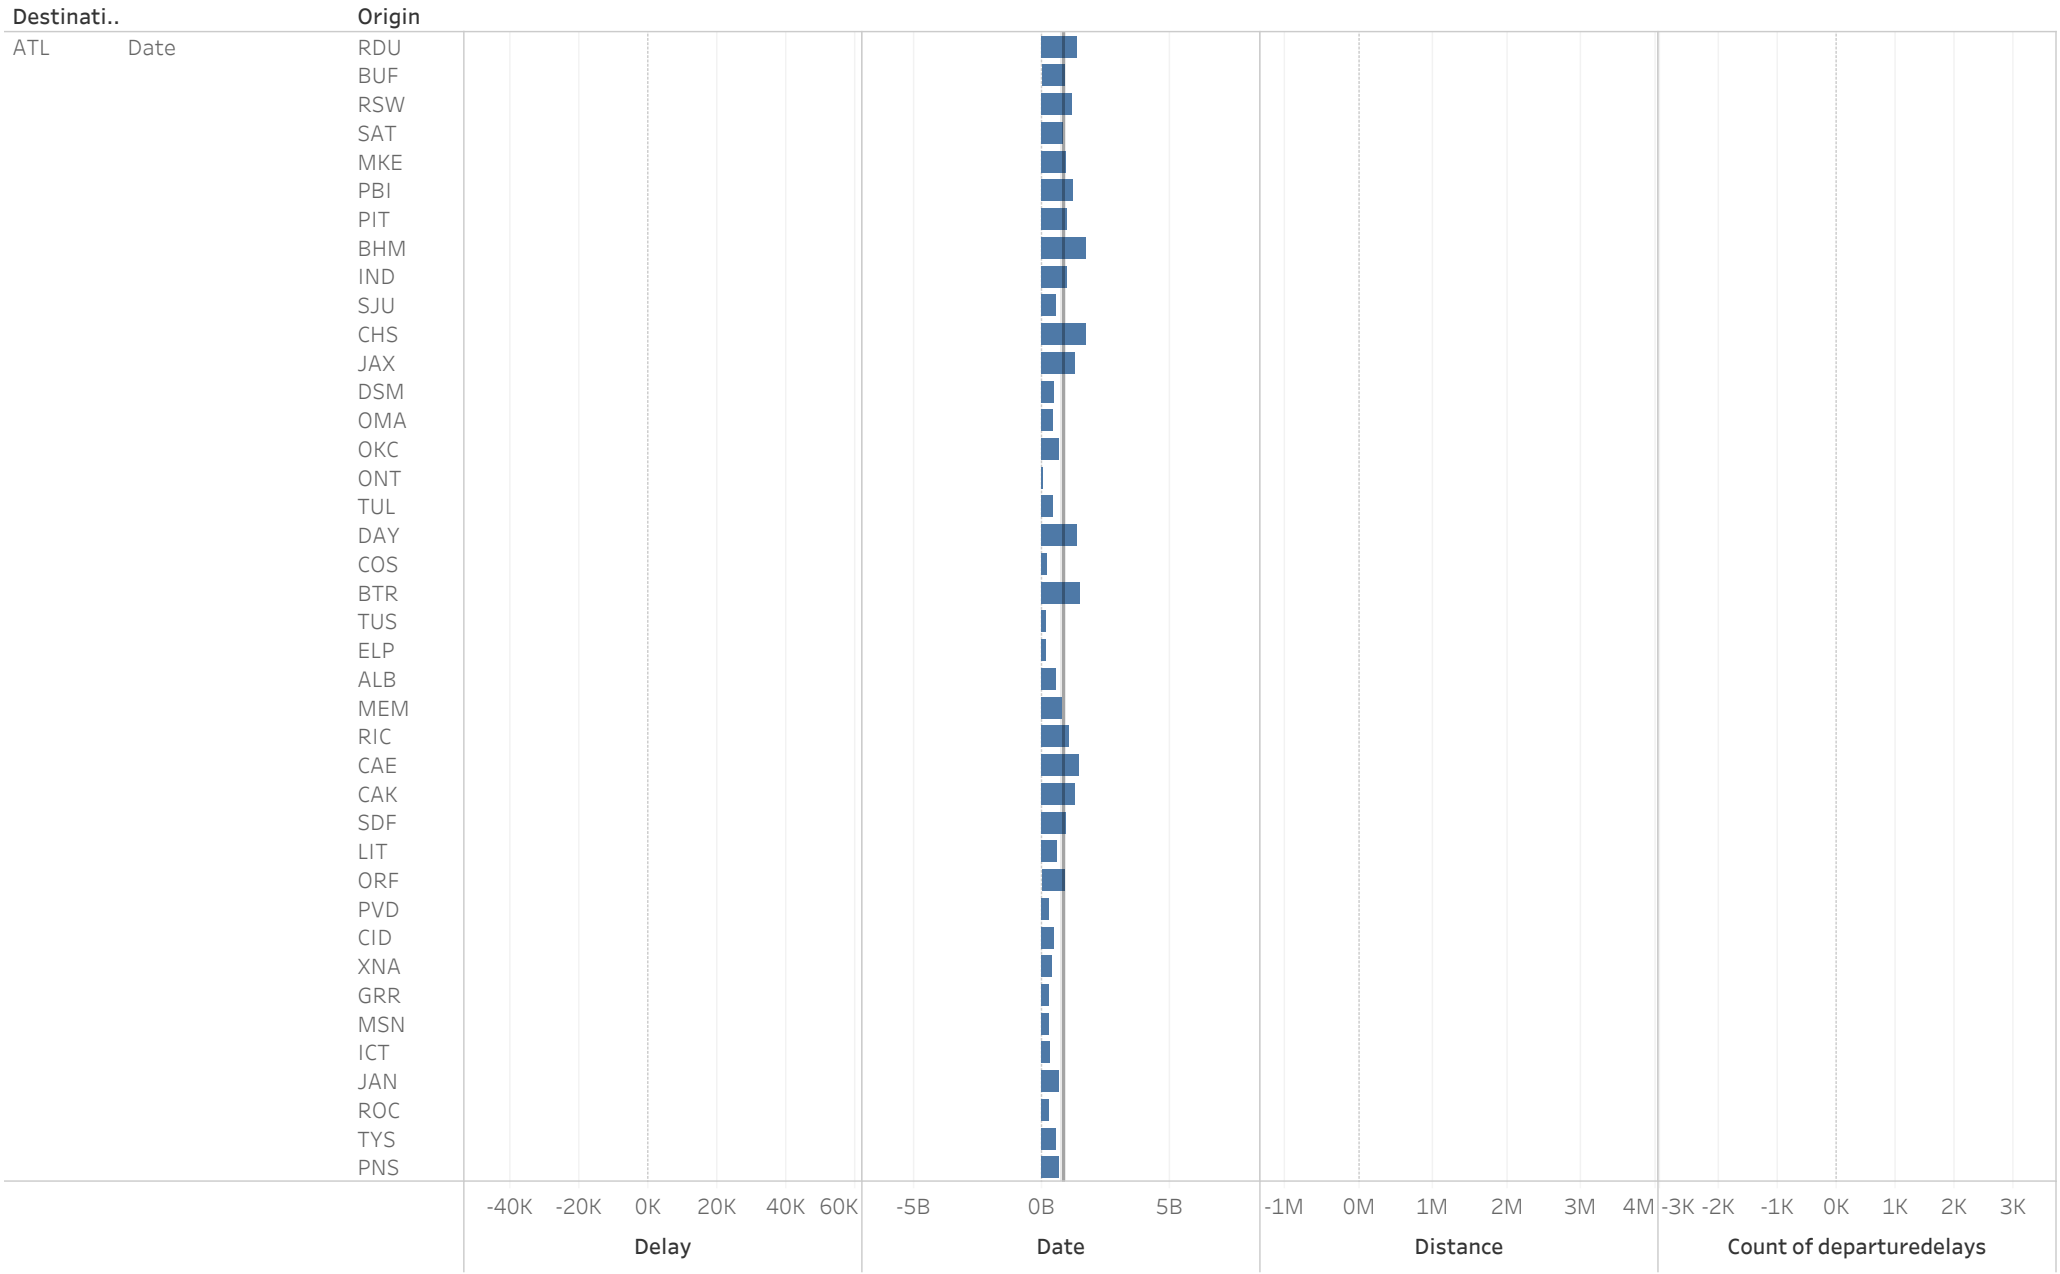
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



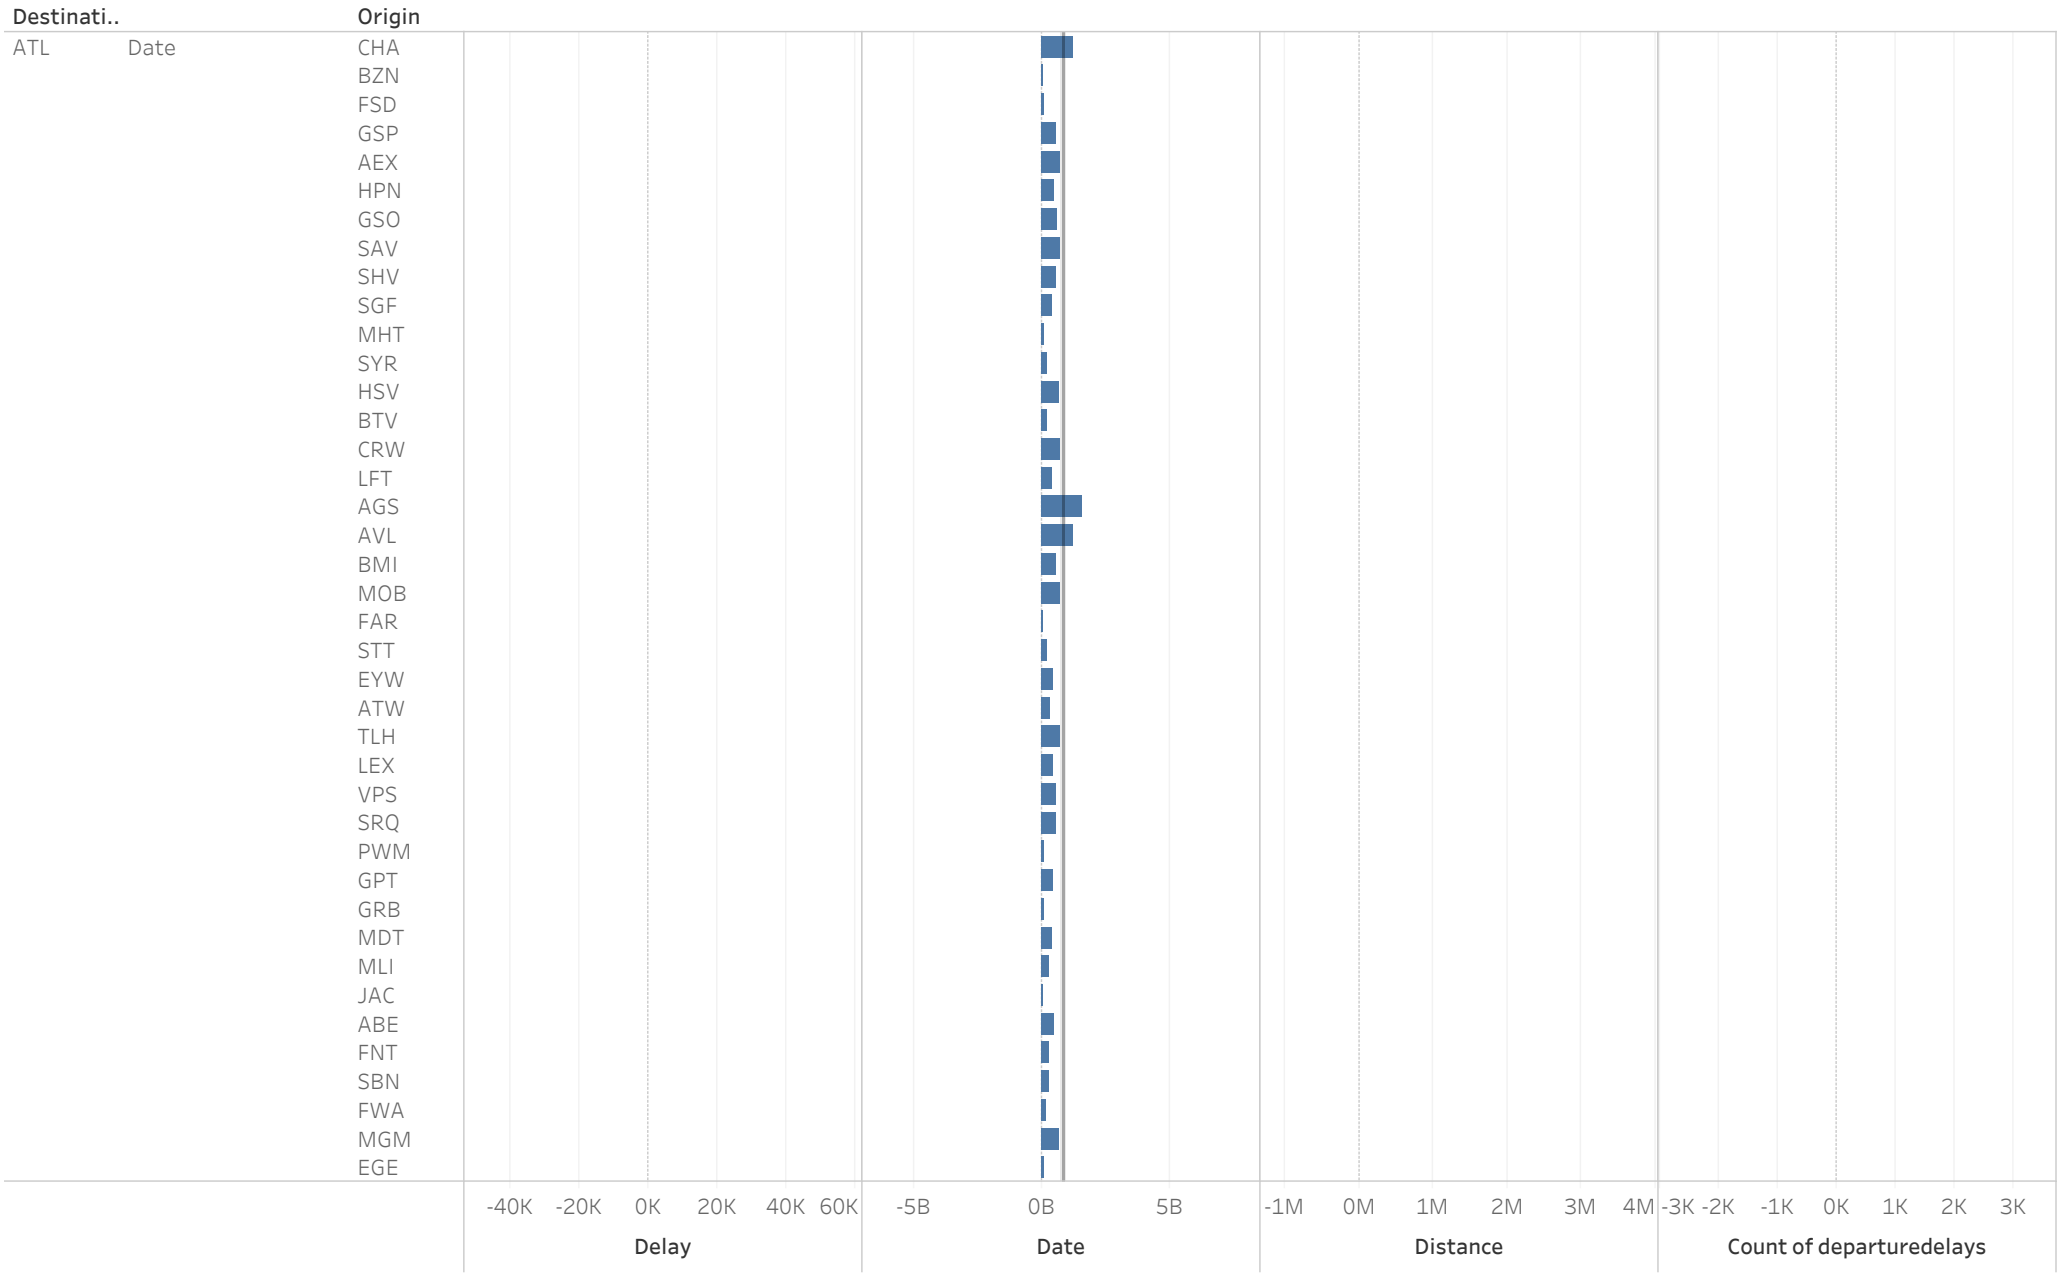
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



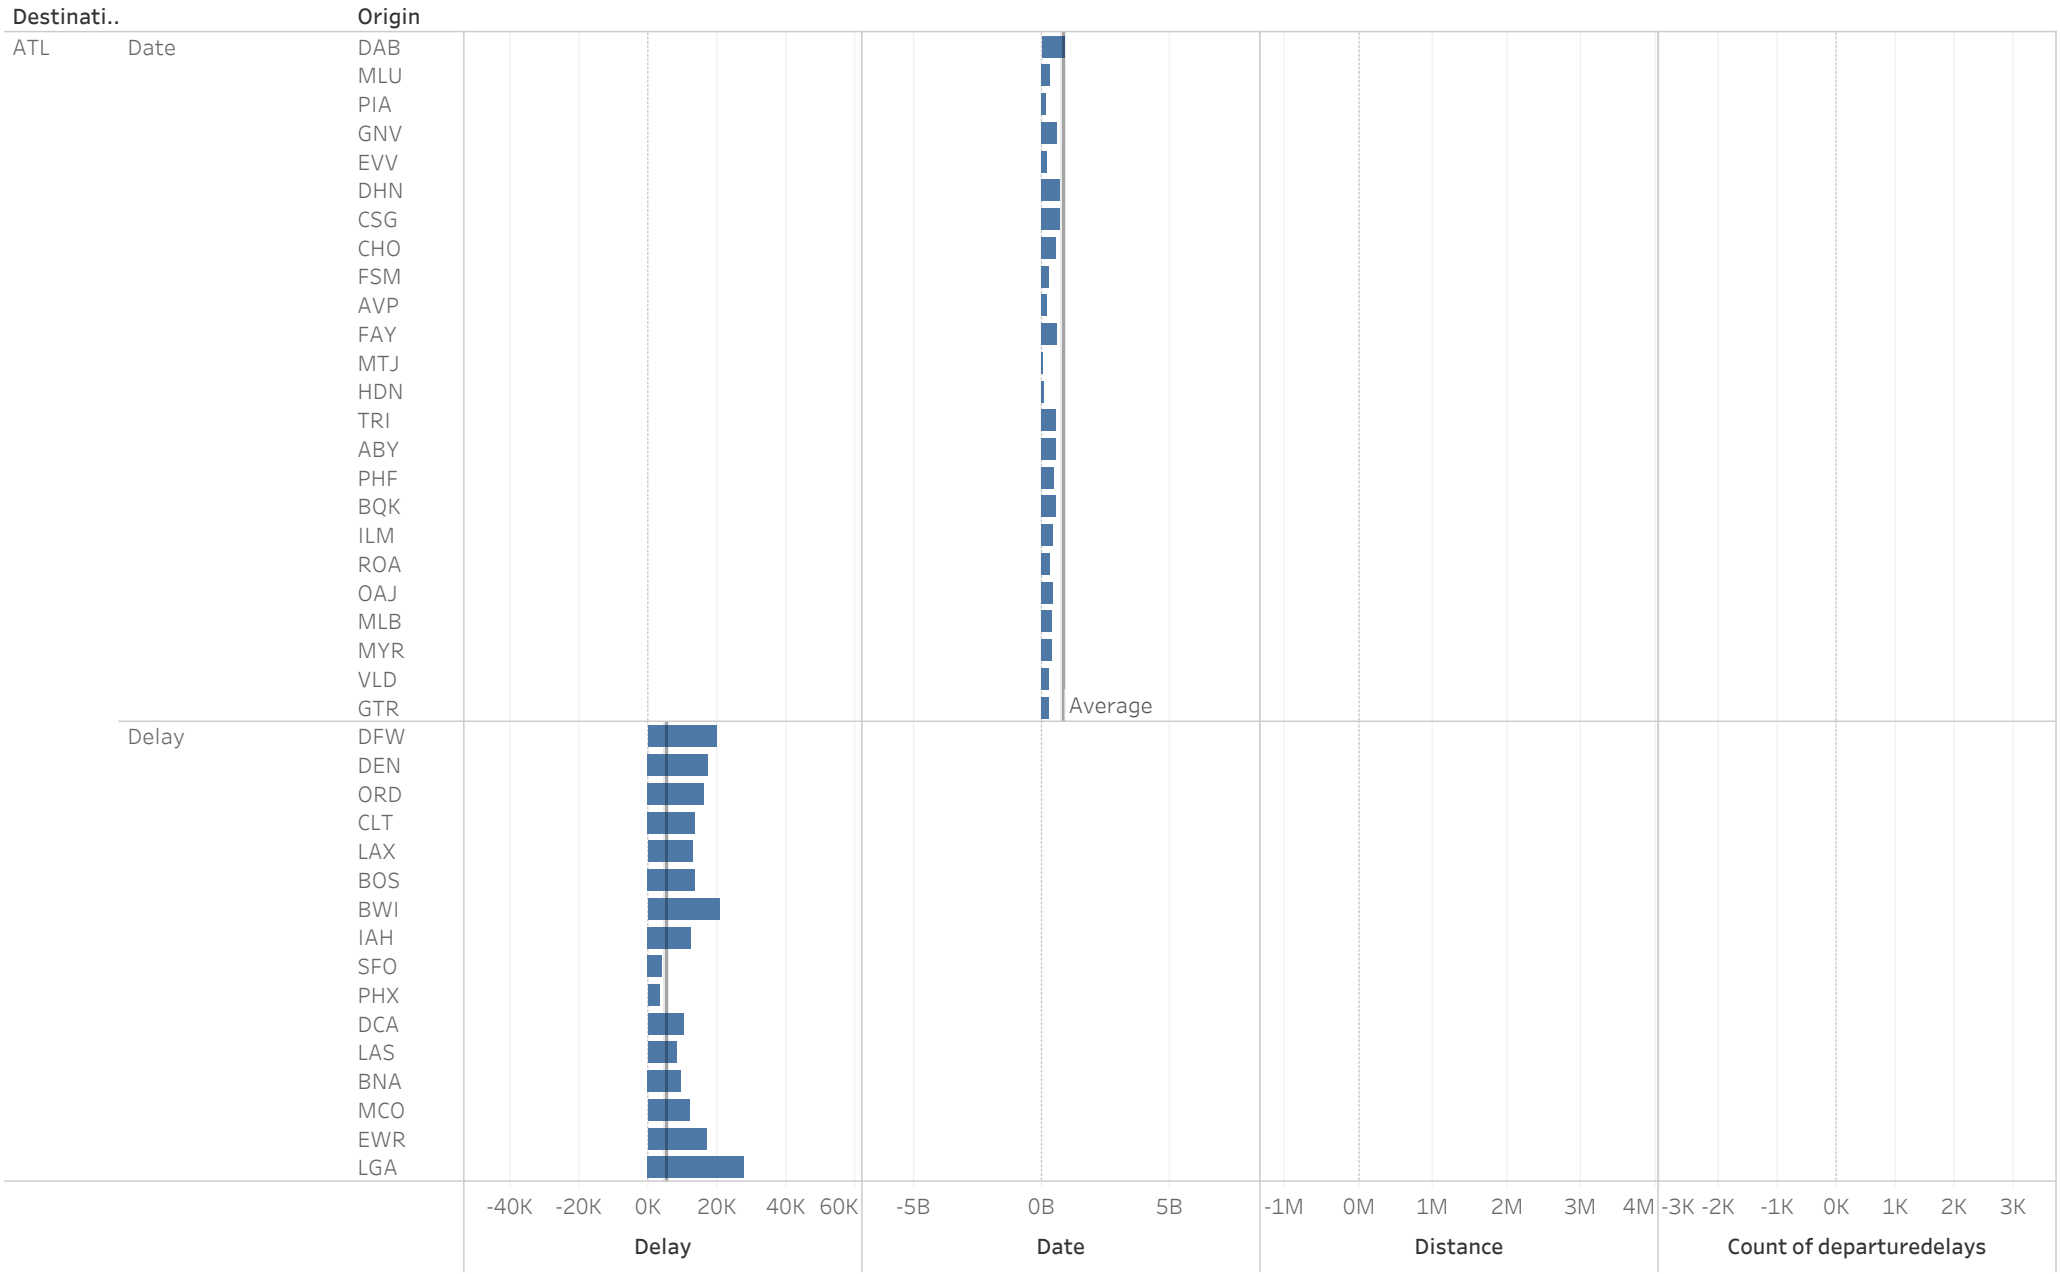
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



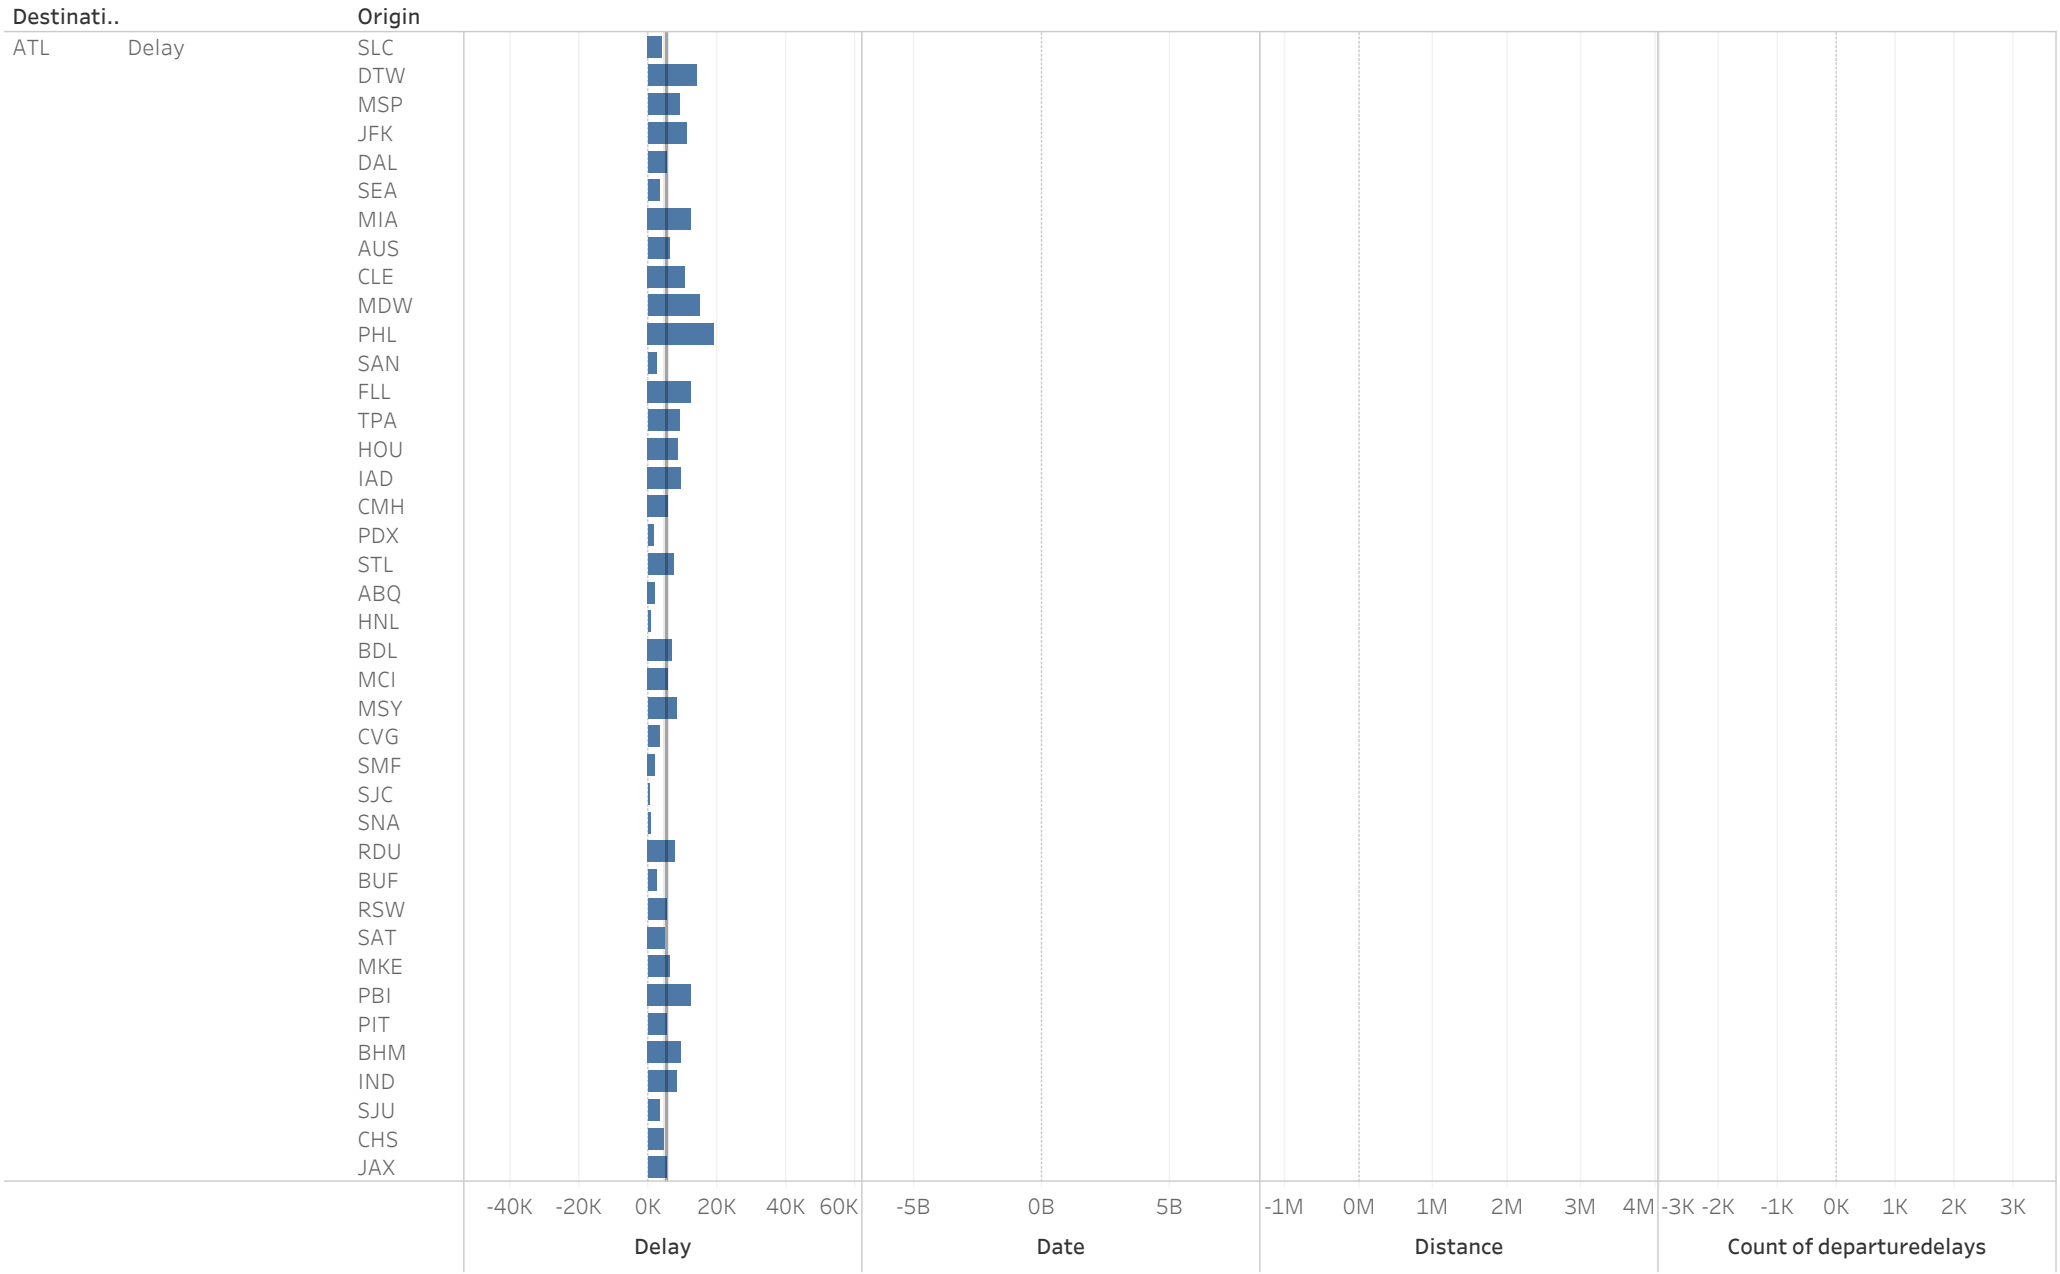
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



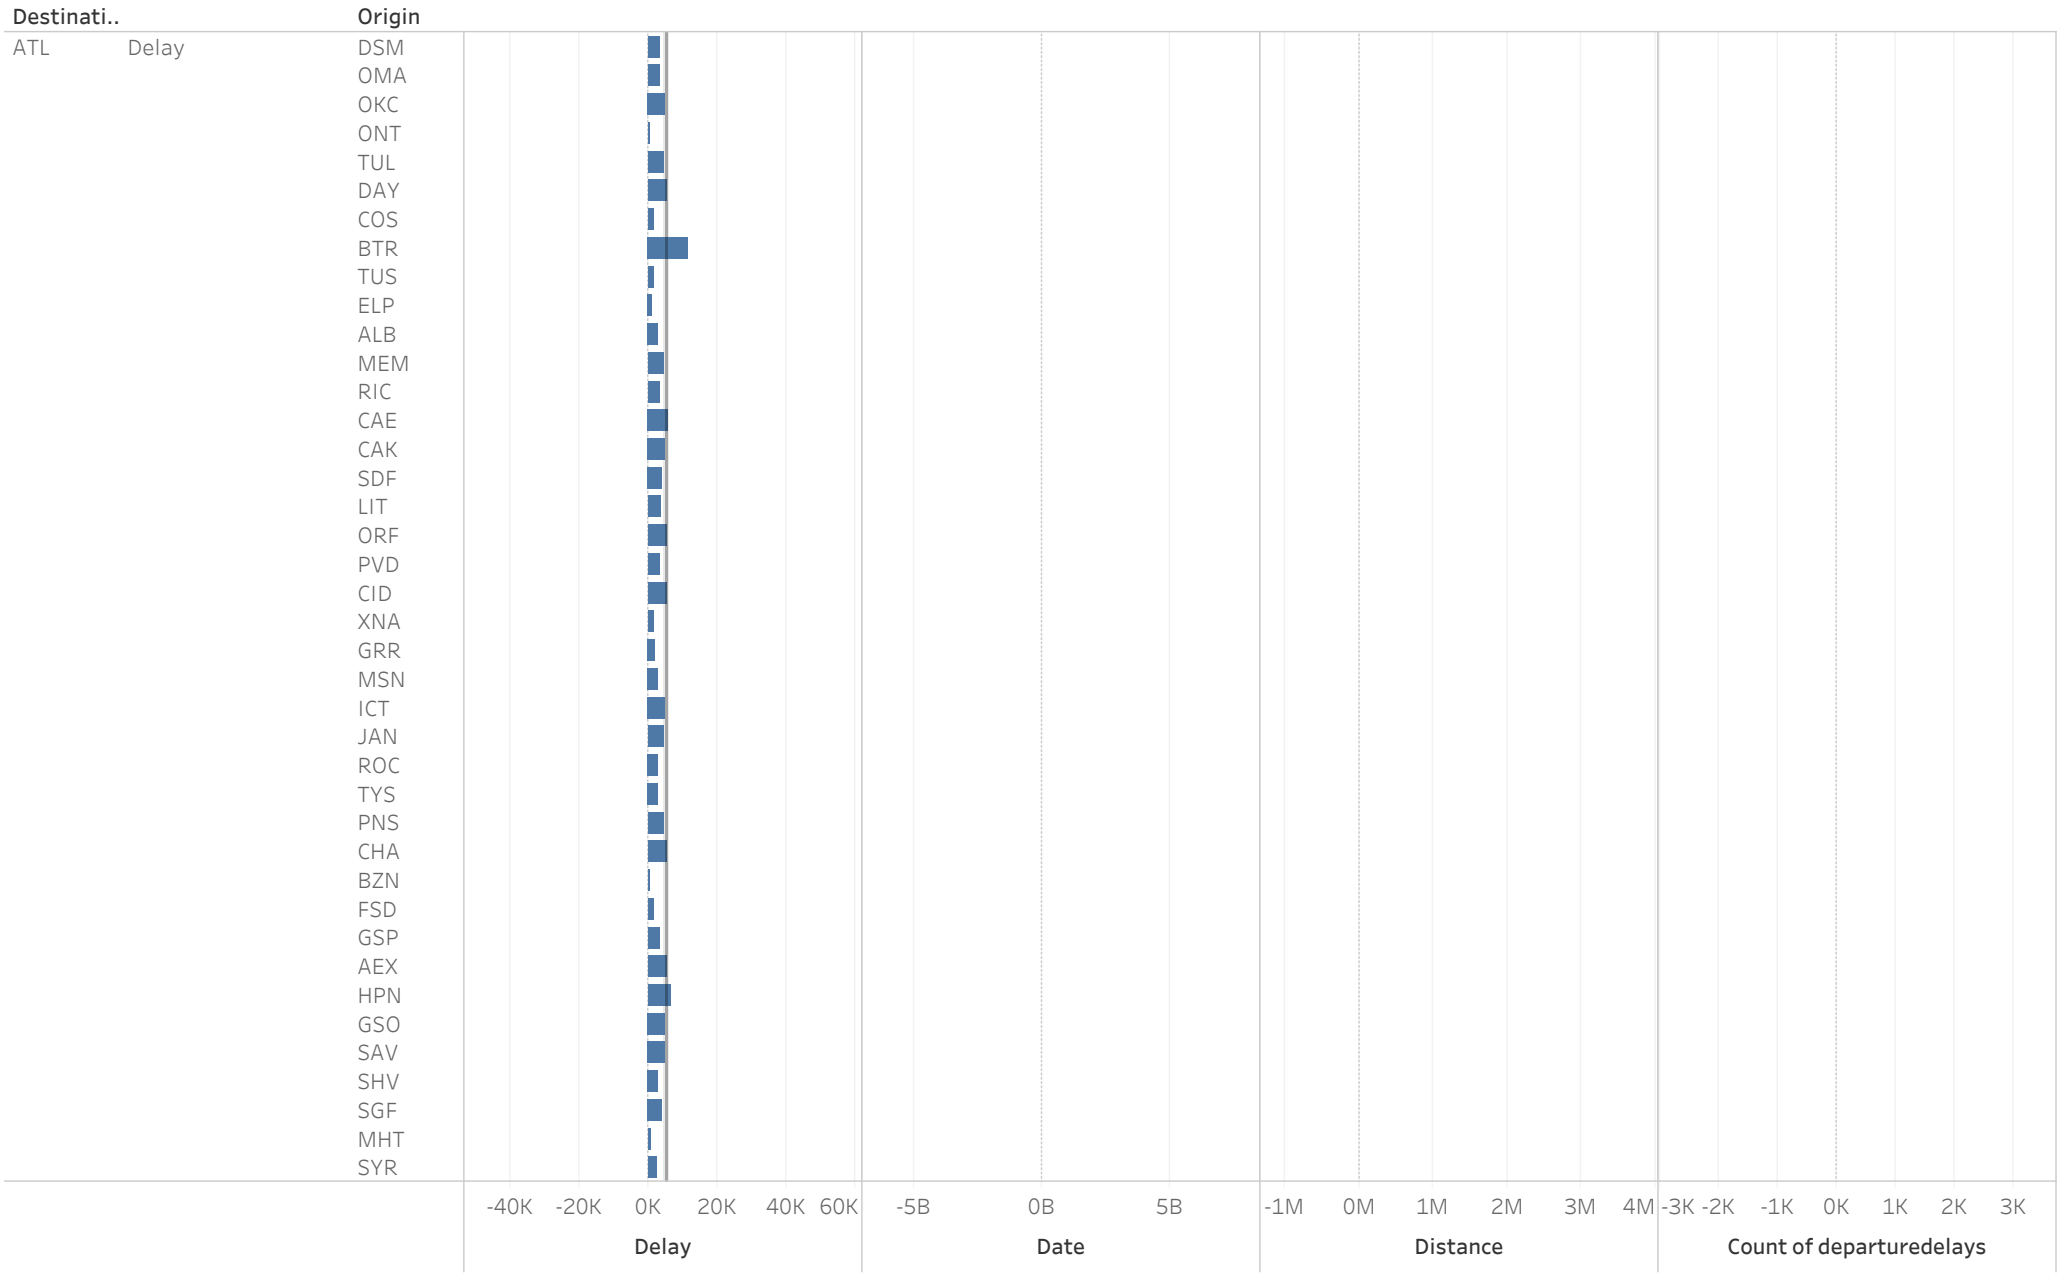
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



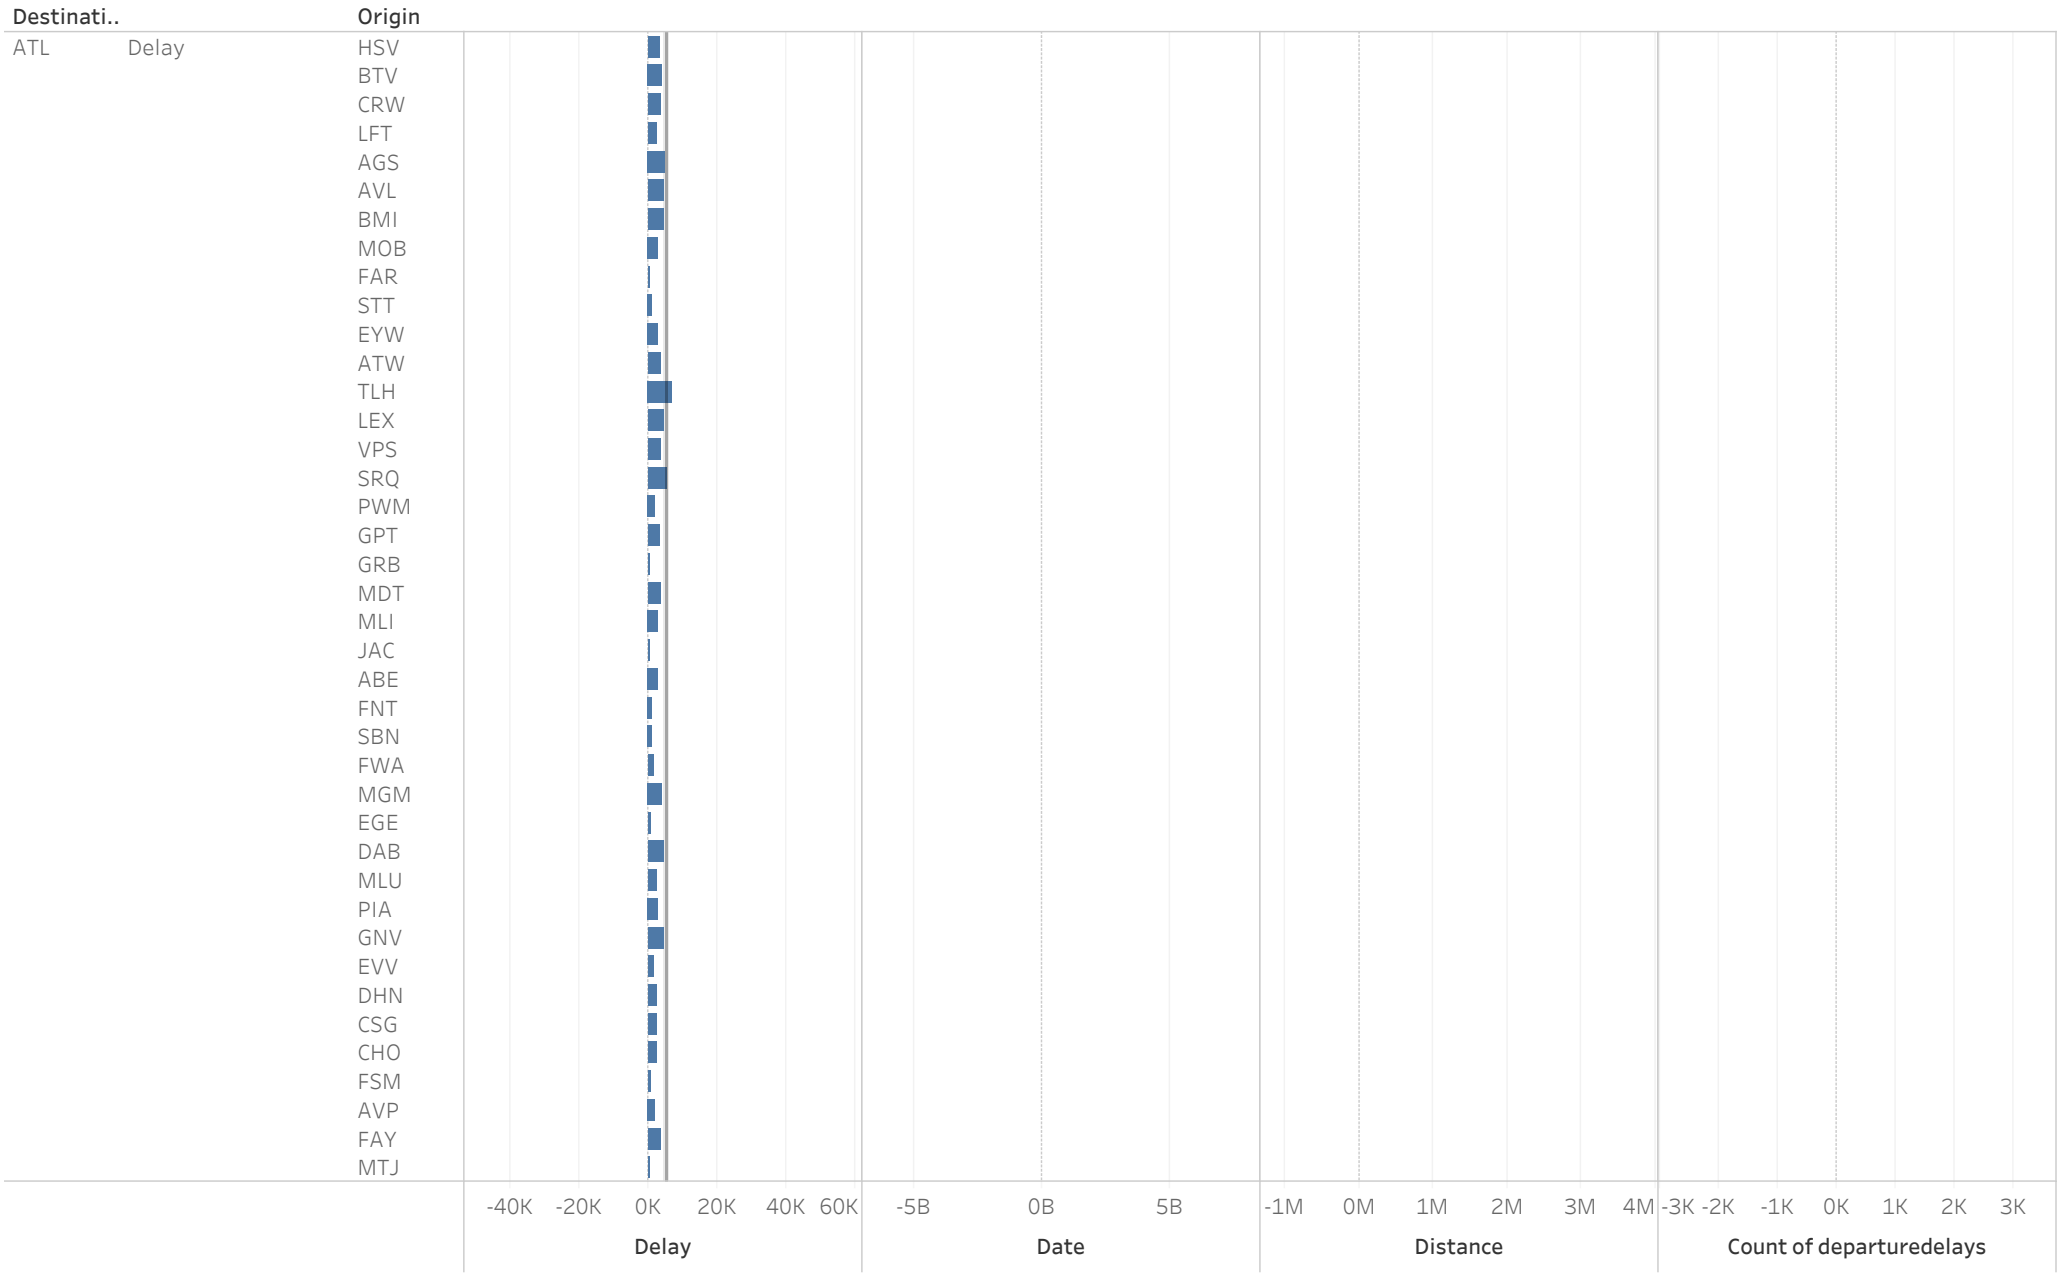
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



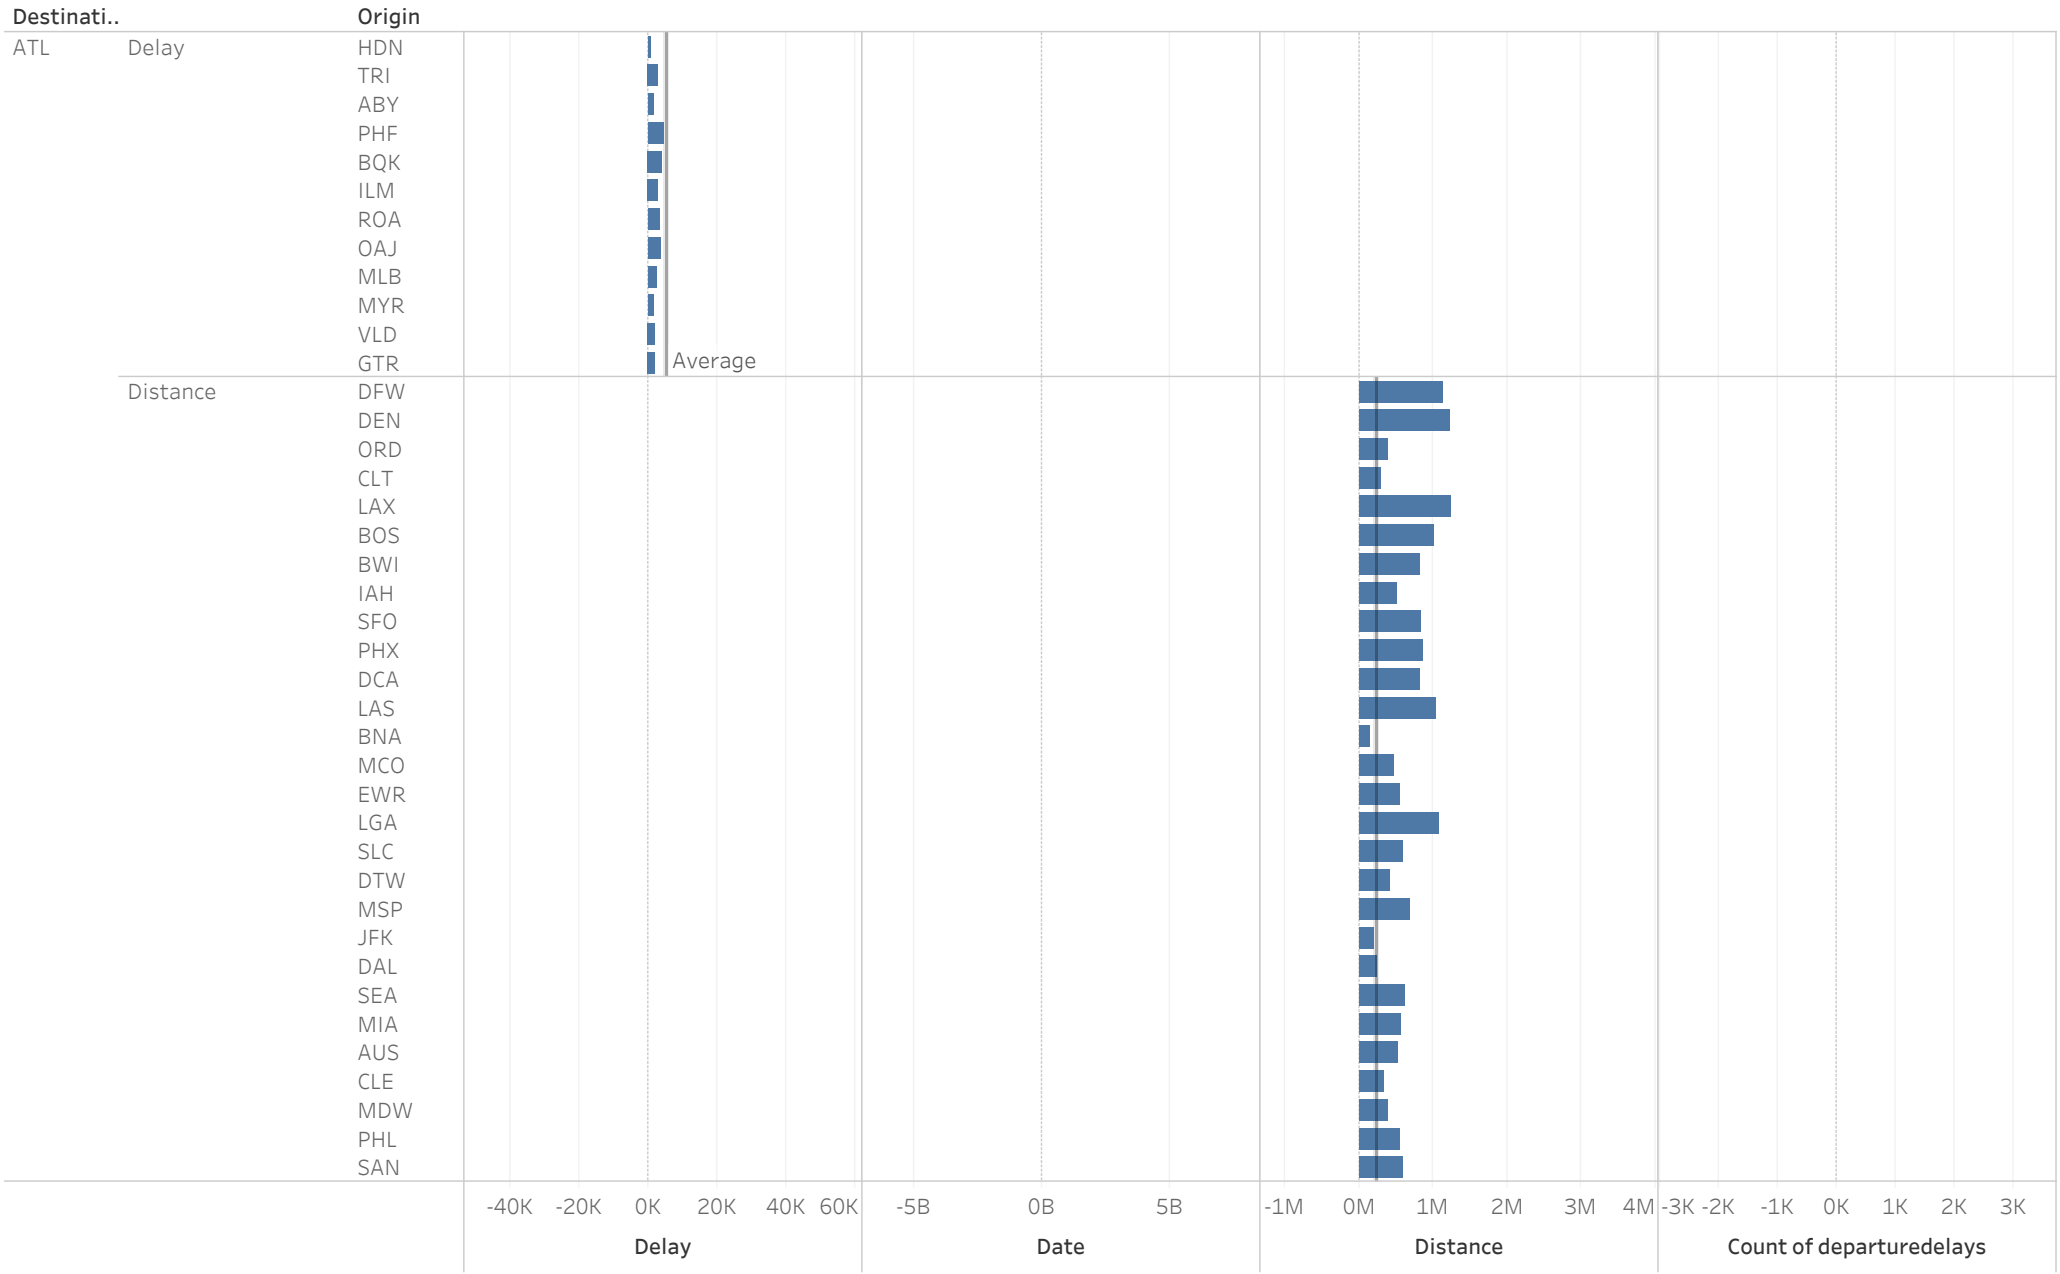
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



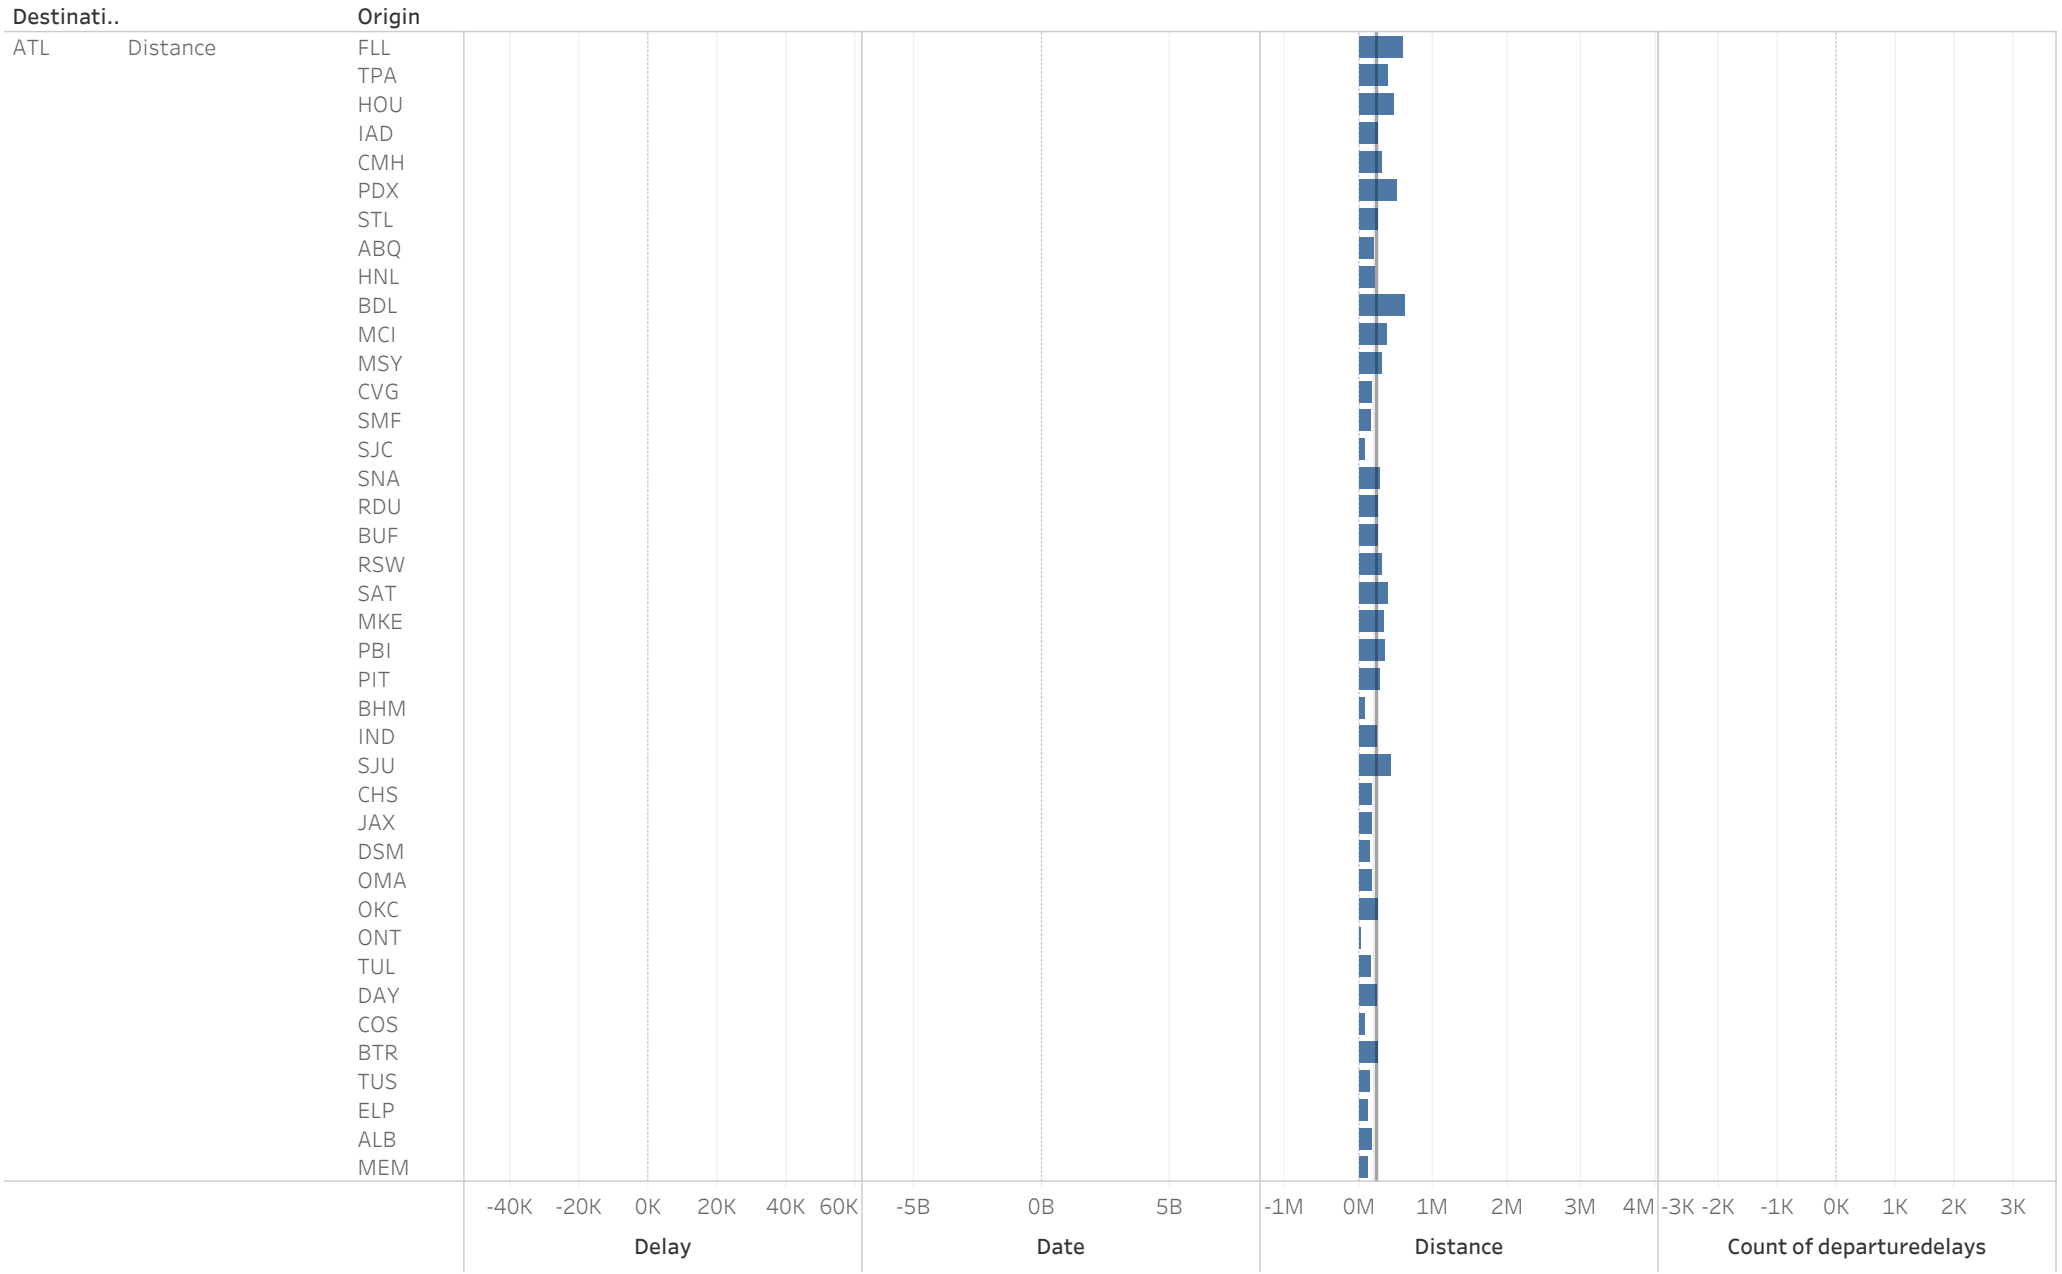
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



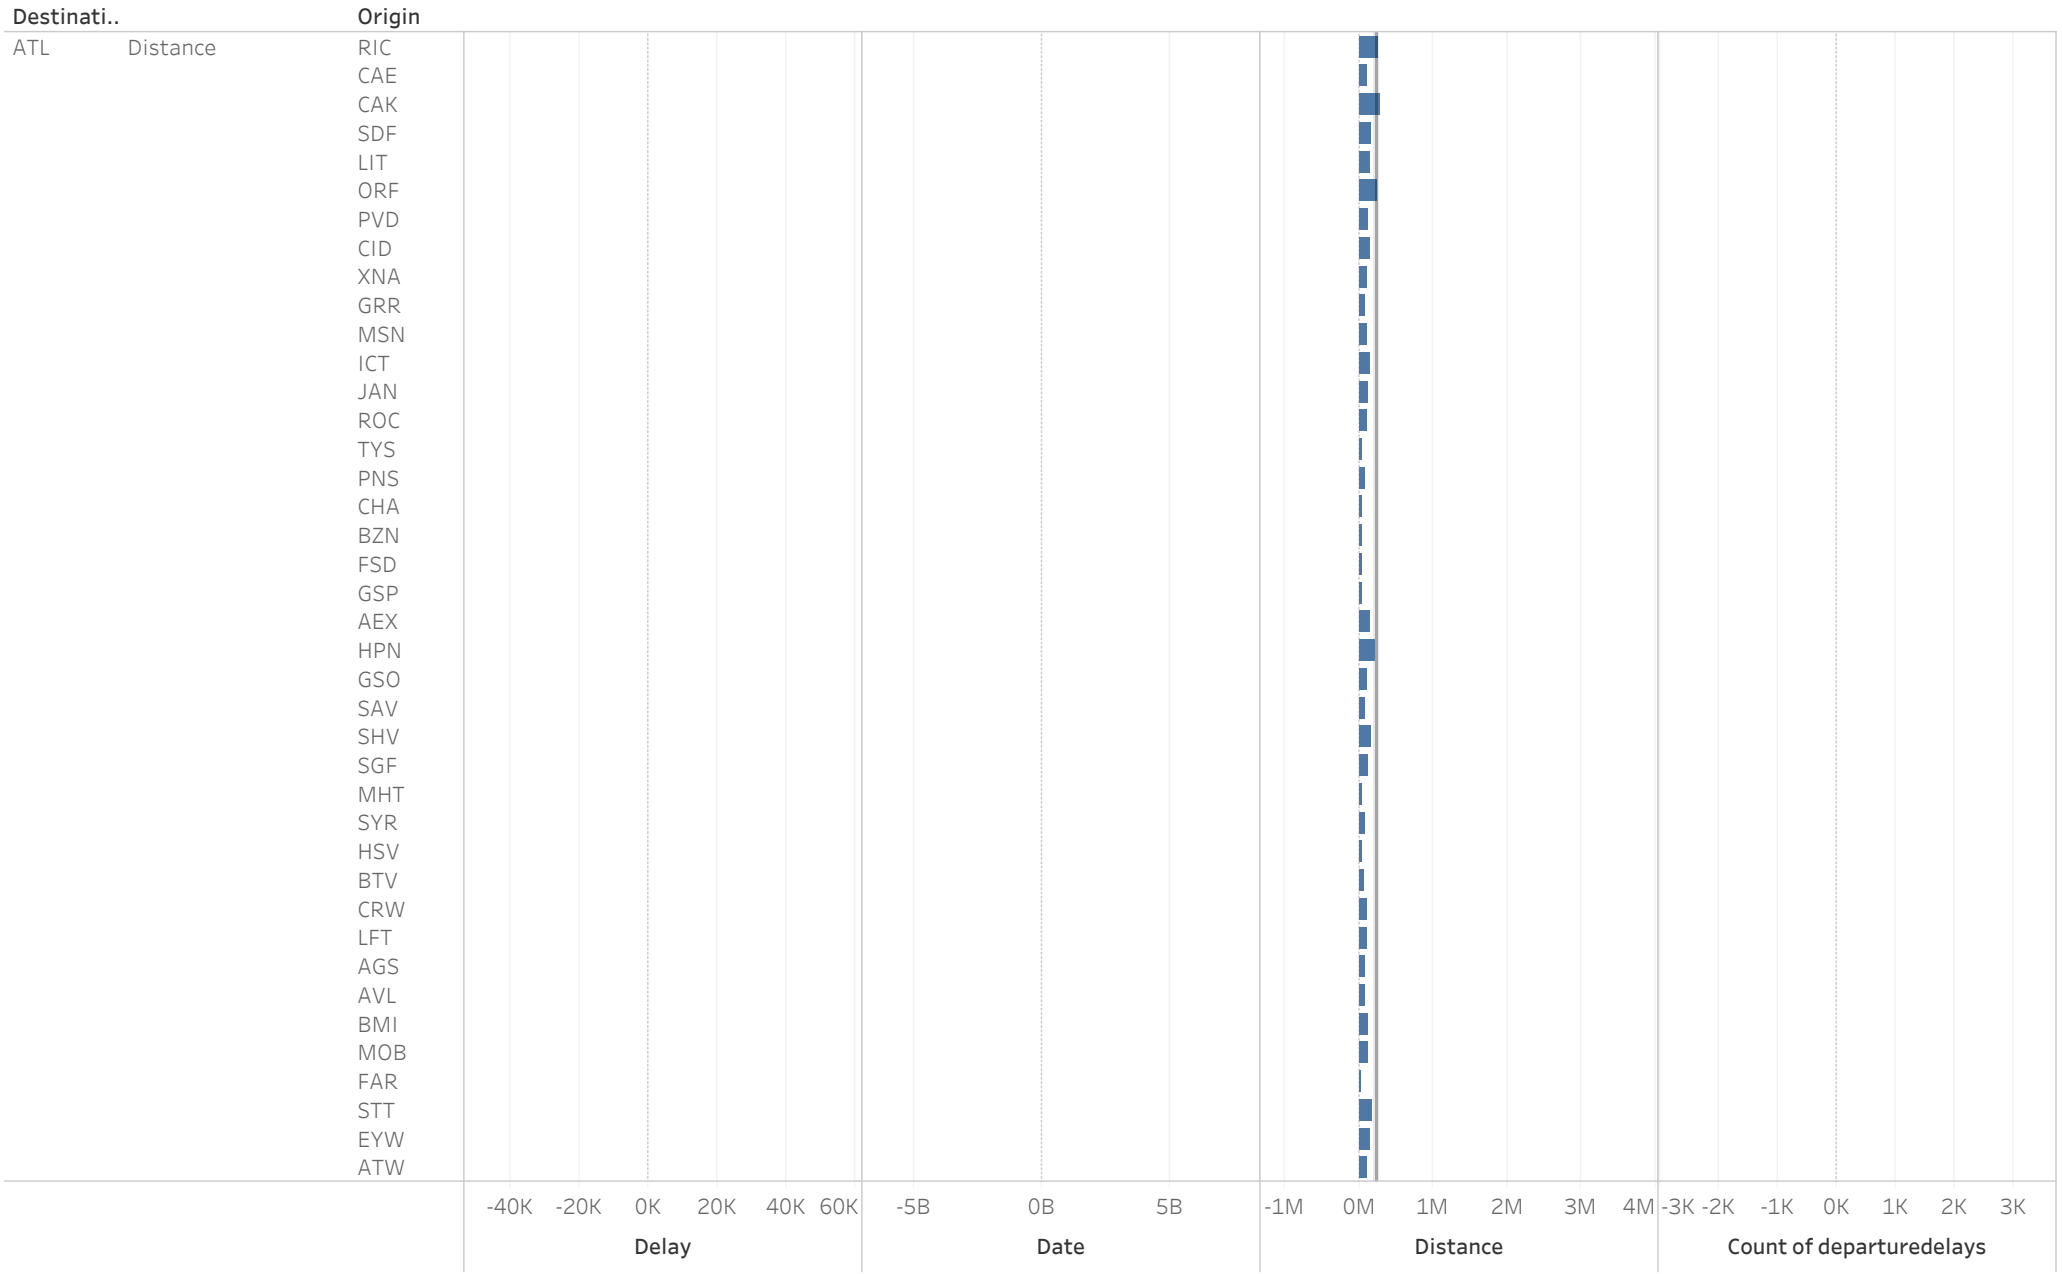
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



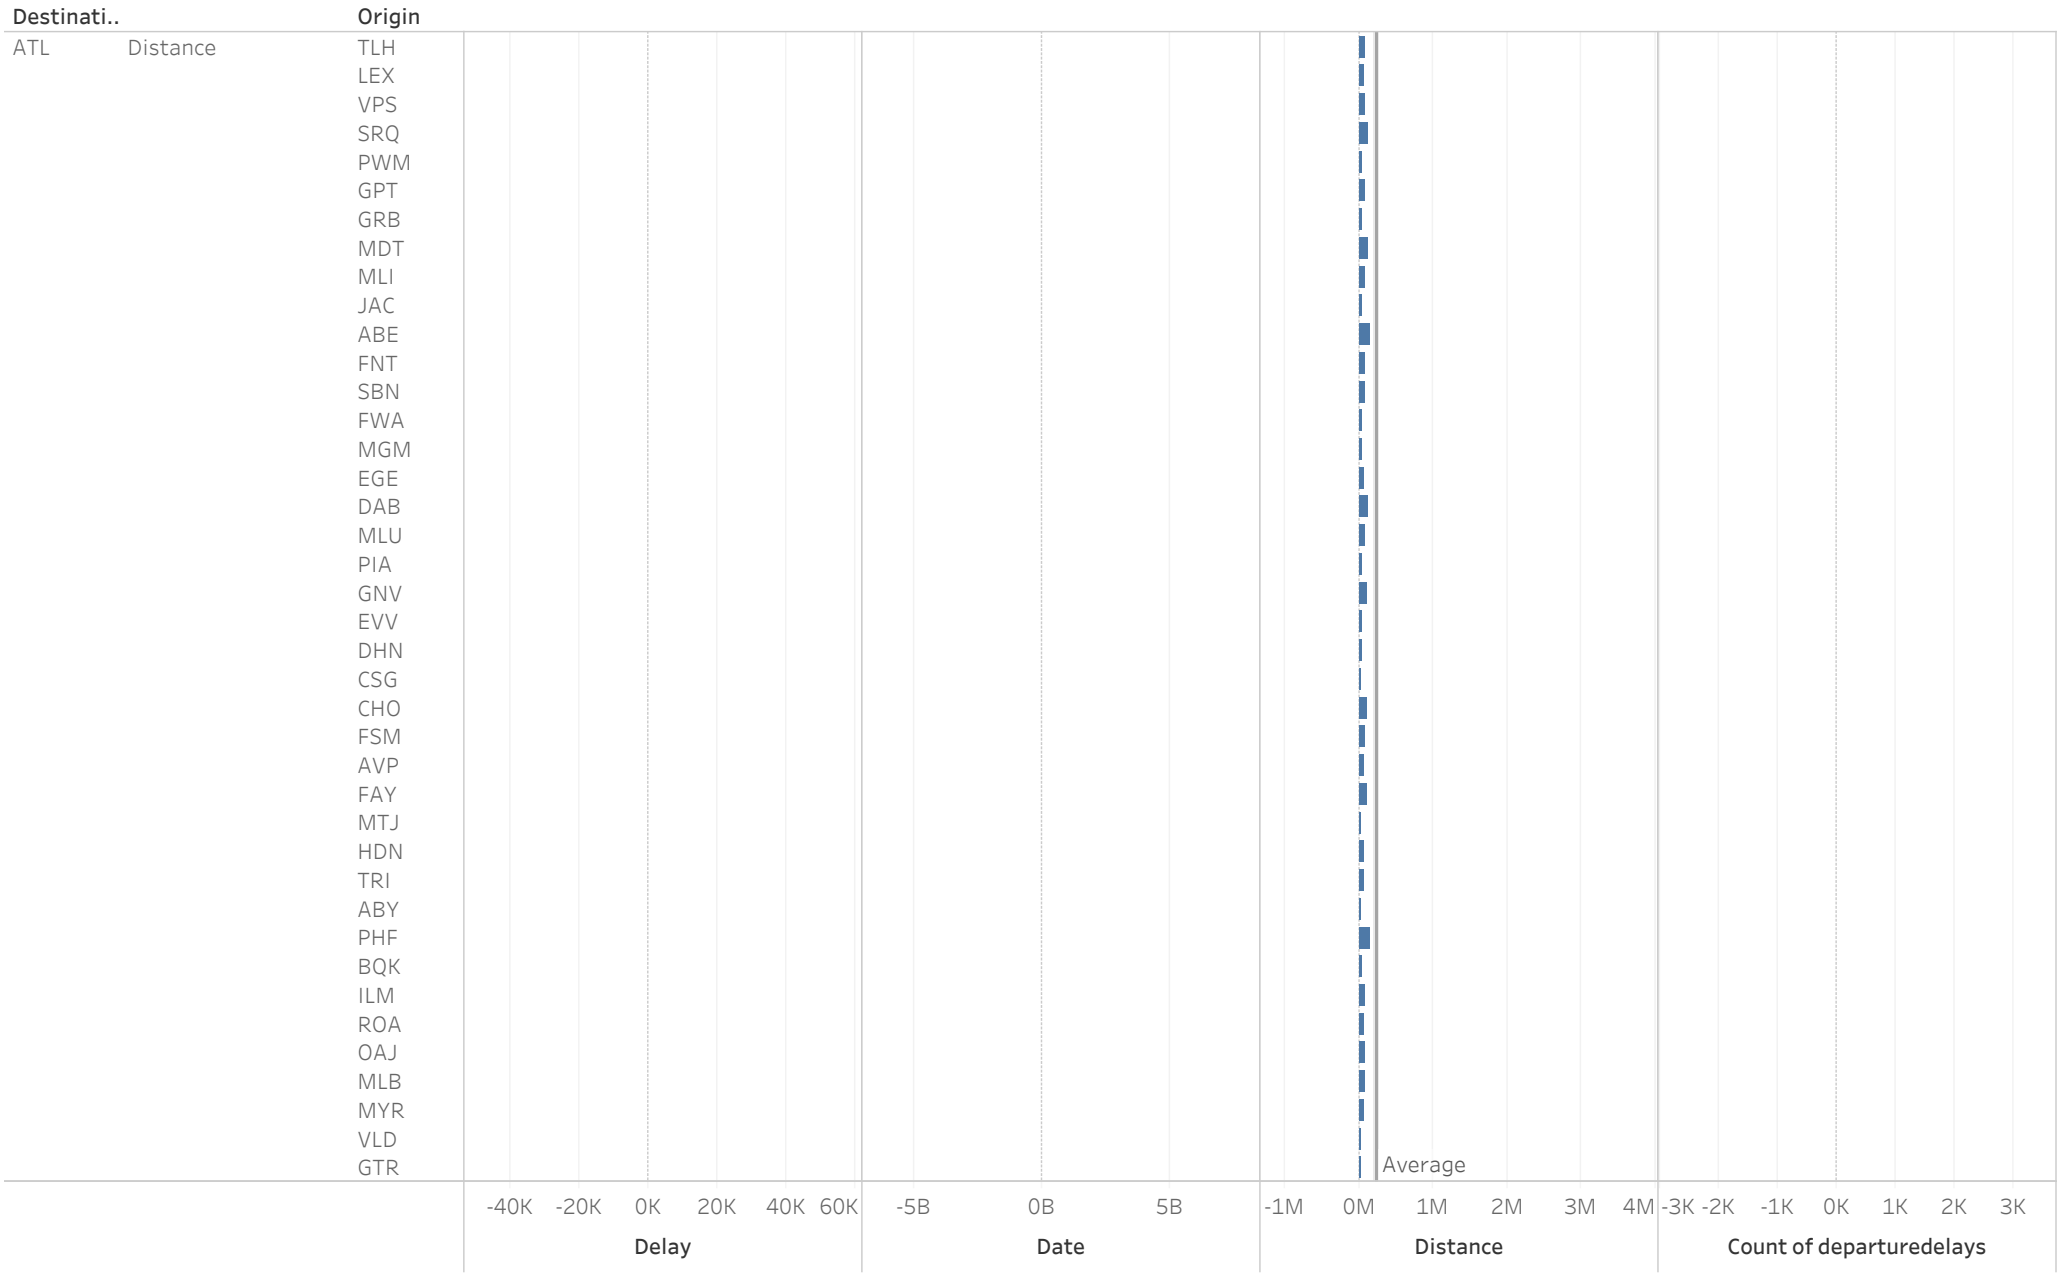
Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

Sheet 2



Delay, Date, Distance and count of departuredelays for each Origin broken down by Destination, Delay, Date, Distance and count of departuredelays.

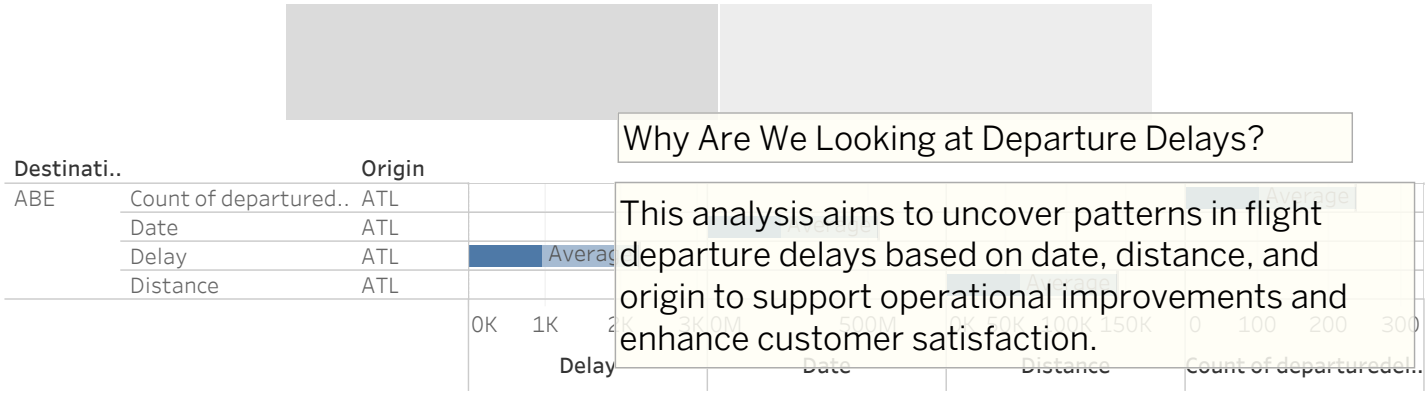
Delayed Departures

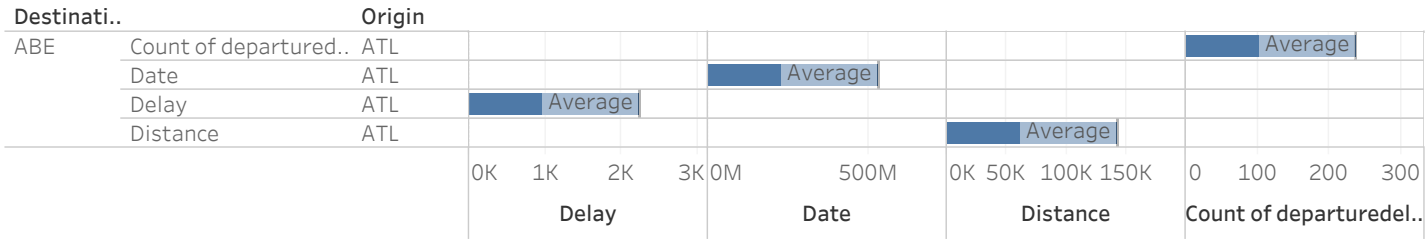


Why Are We Looking at Departure Delays?

This analysis aims to uncover patterns in flight departure delays based on date, distance, and origin to support operational improvements and enhance customer satisfaction.

Delayed Departures

Why Are We Looking at Departure Delays?



This analysis aims to uncover patterns in flight departure delays based on date, distance, and origin to support operational improvements and enhance customer satisfaction.

Longer flights tend to have slightly more delays, but short-haul routes also show unpredictable delays.
